We have been focusing on the mobile phone accessories industry, since 2007. and established the Ven-Dens brand in 2019. Our products cover most mobile phone accessories (various chargers, power banks, data cables, holders, earphone etc). We have our own teams and warehouses in the uk, based in London and Manchester. which are able to provide the most convenient service to European customers at all times.We welcome customers to come and visit us at any time.

We have our own factory in China, the factory has passed the ISO9001 quality management certification system certification, and is also a MFI and BSCI certified factory. As a professional manufacturer, we have strict guidelines to adhere to quality control practices. Our product defect rate is unbelievably low, and we can provide customers with the most competitive prices. Our main products have obtained CB, CE, ROHS, EMC, UKCA and other related certificates.

Please feel free to contact us with any inquires.We look forward to hearing from you and starting a new business relationship.
