BISHOP JONES

Payroll, done properly. Every time.

Outsourced payroll for tractor and agricultural machinery dealerships

From workshop technicians to sales staff, your team needs paying correctly and on time, and HMRC needs to hear about it. Leave your payroll with us and get back to running your dealership.

What we take care of

- Processing your payroll and payslips
- Real Time Information (RTI) submissions to HMRC
- Workplace pension auto-enrolment and contributions
- Starters, leavers, P60s and year-end
- Salary sacrifice, departmental analysis and reporting
- Journals ready for your accounting system and net pay files for your bank

Why outsource?

- Submitted on time, avoiding late filing penalties of up to £400 a month
- No payroll software to buy or maintain
- Professional payroll advice just a phone call away
- Maximum 48-hour turnaround, within an agreed payroll timetable

Why Bishop Jones

- ICAEW Chartered Accountants and Tax Advisers
- Specialists in dealerships
- Working with dealerships across the UK
