EXHIBIT PROSPECTUS

COMMERCIAL, DEFENSE & SPACEPORT ORGANIZATIONS - ALL IN ONE PLACE

3,500+ Attendees | 200+ Exhibitors | 60 Countries

Exhibiting at SpaceCom, the Global Commercial Space Conference & Exposition, isn't merely an opportunity—it's a game-changer. Meet with pre-qualified buyers dedicated to securing technologies to help them achieve their professional objectives, whether on-planet or off-planet.

SpaceCom | Space Congress 2023 was a record-breaking year, doubling both attendance and size of the exhibit floor. With the second annual co-location of the Space Mobility Conference, co-sponsored by the United States Space Force and Space Systems Command, we anticipate triple-digit growth in 2024.
