

BASE CAMPS

Maximum capability, minimal logistical footprint.

Weatherhaven provides a wide array of portable shelters and capability to provide turnkey solutions for camps of any size in the world's harshest environments; the logistical & environmental footprint is always kept to a minimum; with their compact packed volume, these camps are transportable by any means and give numerous options for the swift establishment of a support base or semi-permanent camp. Weatherhaven delivered more than 25 Field Hospitals and medical facilities in 2020 - 21 in response to the Covid-19 pandemic.

Weatherhaven's 100-bed field hospital deployed in response to the Covid-19 pandemic; Mauritania, 2021.
