HRC SHELL SCHEME SPECIFICATION

WALLS

The shell scheme white wall structure comprises of 2.5m high extruded aluminium posts and beams which enclose 3mm thick white Foamex panels. Each internal post has an octagonal cross section and measures 40mm in diameter, whilst connecting beams feature a rectangular cross section of 16mm width and 70mm height. The external posts are 80mm x 80mm Quad post sections.

It is essential that these dimensions are taken into consideration if building an interior to the shell scheme or ordering internal graphics. Please contact **Creative Live** for any exact dimensions or calculations required for a specific stand.

- ***The graphic panel seen size is 950mm x 2340mm (Width x Height)***
- ***Half panel size is 455mm x 2340mm (Width x Height)***
  OUTER END PANELS
- ***The graphic panel size is 930mm x 2340mm (Width x Height)***

For any questions regarding graphics please contact Creative Live.

Please note the frame can only take <u>very</u> light-weight items.
The panels are non-loadbearing, but lightweight display material may be attached to them. The preferred method of fixing is Velcro or sticky tabs, or by other means that do not damage the panels in any way. **In the event that damage occurs, Creative Live may charge the stand holder for the full panel price.**

ELECTRICS

All shell scheme stands will be supplied with the following electrical packages, as per your stand size:

Up to 5.9m²	2 x LED Spotlights
6 – 20 m²	1 x 500watt socket & 2 x LED Spotlights
20.1 – 26 m²	1 x 500watt socket & 4 x LED Spotlights
26.1 – 36 m²	1 x 500watt socket & 6 x LED Spotlights

If you require any additional electrics, you can order these by clicking here.

NAMEBOARD

The nameboard will display the name as it appears on your contract; please let the Organisers know if you require a nameboard change by 5th March 2027. A charge of £25.00 will be made for any on-site name panel alterations.

FASCIA

Each open side will hold a nameboard with your company name in Title Case text, stand number and our section icon, please note there is a 30-character limit per nameboard.

FLOORCOVERING

- **Grey carpet** will be laid direct to the floor.
- **No platforms are provided with shell scheme stands**. However, if you are ordering services such as water & waste, mains gas or heavy-duty electrics, the Organisers highly recommend laying a platform direct to the hall floor.

NB: No refund will be given to any exhibitor who decides to provide their own floor covering to shell scheme stands.

CEILING

Please be aware that the system has a minimal ceiling grid. We will place limited ceiling beams on stands which lighting can be attached to in the normal way but advise you contact us with exact requirements if placement is imperative to your display.

The distance from the floor the ceiling grid is 2430mm.

SHELL SCHEME EXTRAS

Creative Live offer a range of shell scheme extras; please click here to view the range and order any items.
