

RECOGNIZE THE EARLY WARNING SIGNS OF FABRY DISEASE:

Why “Silent” Symptoms Matter

Featured Speaker:

Dr. Victoria Lawson

Neurologist

Dartmouth-Hitchcock Medical Center

Session Overview:

Join us on Thursday, March 12, from 11:55 AM to 12:25 PM in Exhibit Theater 1 for an insightful and interactive session led by **Victoria Lawson, MD, MSc.**

Together, we'll review early warning signs that may signal underlying disease progression, as well as the importance of early intervention to mitigate life-threatening damage from Fabry disease.
