

2024

ACMG Annual
Clinical Genetics MeetingMARCH 12-16 • EXHIBIT DATES: MARCH 13-15
METRO TORONTO CENTER • TORONTO, CANADA

Agenda for Accredited Sessions

Tuesday, March 12	Session Title	CME, P.A.C.E. [®] , ABMGG Lifelong Professional Development, AAPA, NCPD (4.0)	NSGC (4.0)
1:00 pm – 5:00 pm	LGG Mentored Clinical Cases Workshop	4	4
Wednesday, March 13	Session Title	CME, P.A.C.E. [®] , AAPA, NCPD (5.0)	NSGC (5.0)
10:00 am – 12:00 pm	2024 ACMG Foundation Awards and Presidential Plenary Session: Inquiry and Innovation – How Far Have We Come and How Far Can We Go?	1.5	1.5
1:30 pm – 3:30 pm	Genome Sequencing in Newborn Screening: Sharing Opportunities and Challenges	2	2
	Regulatory Updates and Insights into Drug Development and Clinical Trial Design for Rare Diseases		
	To Treat or Not to Treat: Dilemmas for Rare Diseases Care in A New Therapeutic Era		
	The Clinical Use of Polygenic Risk Scores in Breast Cancer Risk Prediction		
	Increasing Access to Genetics Care By Practicing At The Top Of Our Scope		
4:00 pm – 5:30 pm	Advances in Diagnosis and Management of <i>TP53</i> Associated Cancer Risk: Germline and Somatic Insights	1.5	1.5
	Cardiomyopathy: When is it an Inborn Error of Metabolism? By NAMA		
	Genetic Counselor Forum - An Exploration of a PhD in Genetic Counseling: Why it Matters for the Profession (closed session for Genetic Counselors)		
	Think Rare: Solving the Undiagnosed Cases Beyond Exome or Genome Sequencing		
	Back to Basics: The Physical Exam is the Cornerstone of Precision Medicine		

2024

ACMG Annual
Clinical Genetics MeetingMARCH 12-16 • EXHIBIT DATES: MARCH 13-15
METRO TORONTO CENTER • TORONTO, CANADA

Thursday, March 14	Session Title	CME, P.A.C.E.®, AAPA, NCPD (5.0)	NSGC (6.5)
8:00 am – 9:00 am	Featured Platform Presentations	1	1
9:00 am – 10:00 am	TED-style Talks - Ellis Monk and Manolis Kellis	1	1
10:30 am – 12:00 pm	Poster Presentations Odd numbers	0	1.5
1:30 pm – 3:00 pm	Implementing the NASEM Report on Using Race, Ethnicity and Ancestry Population Descriptors in Genomic Research	1.5	1.5
	After Dobbs: Impact of Abortion Laws on Genetics and Genomics Training & Practice - A <i>SELI-Sponsored Session</i>		
	Long-Read Sequencing: Diagnosing the Undiagnosed Through Comprehensive Clinical Genetic Testing		
4:15 pm – 5:45 pm	Body Image, Contraception, Fertility, and Beyond: The Health of Women with Genetic Disorders	1.5	1.5
	Platform Presentations (A, B, C)		
	Rare Disease Therapeutics: From Bench to Bedside		
Friday, March 15	Session Title	CME, P.A.C.E.®, AAPA, NCPD (6.0)	NSGC (7.5)
8:00 am – 9:30 am	Pharmacogenetics Implementation: Advancements from Bench to Bed Side	1.5	1.5
	Providing Genetic Services at a National Level Workforce, Telegenetics, Payer Coverage Policies, and Beyond		
	Diagnostic Dilemmas 'True Unknowns' from the Undiagnosed Diseases Network		
10:30 am – 12:00 pm	Poster Presentations Even numbers	0	1.5

2024

ACMG Annual Clinical Genetics Meeting

MARCH 12-16 • EXHIBIT DATES: MARCH 13-15
METRO TORONTO CENTER • TORONTO, CANADA

1:30 pm – 3:00 pm	The Importance of Role Models and Mentors and How to Be or Find One – <i>A Workforce Development and Optimization Committee Session</i>	1.5	1.5
	Platform Presentations (D, E, F)		
	Frame Shifting Our Discussions About Prognosis and End of Life		
3:30 pm – 5:00 pm	Navigating Genetic Evaluation and Counseling in Cases of Perinatal Demise	1.5	1.5
	Somatic Cancer Variant Guidelines, Curation Models and Databases - A Decade of Development		
	The Genetics of Disability Rights & Ethics - <i>A DEI Committee Sponsored Session</i>		
	Genomic Screening Research to Improve Health through the Lifespan: A Focus on Pediatric Participants		
	The Mosaic Mind - Somatic Brain Mosaicism in Neurodevelopmental Disorders and Epilepsy		
5:30 pm – 7:00 pm	Challenge the Experts - Pediatric and Prenatal Diagnostic Dilemmas (Rare Knowns and Unknowns)	1.5	1.5
	Laboratory Diagnostic Challenges: Constitutional and Neoplastic Cases in Molecular, Cytogenomic, and Biochemical Genetics Specialties		
	Medical Diagnostic Challenges (Adult and Cancer)		
Saturday, March 16	Session Title	CME, P.A.C.E.[®], AAPA, NCPD (3.5)	NSGC (3.5)
8:00 am – 9:30 am	Navigating Crossroads of Complex Adult-Onset Neurological Diseases and Neurometabolic Disorders	1.5	1.5
	Variant Scientists in Genomic Medicine		
	Lysosomal Storage Diseases - Emerging Diagnostics and Therapies		
	Cardinal Signs		
	Management of Patients Across the Perinatal Continuum		
10:00 am – 12:00 pm	R. Rodney Howell Symposium: Looking Beyond the Lamppost: Genome-first Approaches Using EHR-linked Biobanks	2	2
Total Accredited Educational Hours		23.5	26.5
