

Experience Matters. The A.C.T. staff has been offering spacedraw services since 1990.

With years of experience to guide us, customers receive expert EXPOCAD® trained professionals.

We include the required computers and software from single to multiple exhibit sales stations.

Each client receives tips and easy checklists to insure every space draw is productive and profitable.

Spacedraws boost event & sales efforts by providing exhibitor commitment and advance cash flow.

Spacedraws can breathe new life into events and exhibitors by creating an open and fair forum.

EXPOCAD® allows show management sales staff instant control over the placement of exhibitors.

EXPOCAD® is faster, more effective and reliable than pen and paper.

EXPOCAD® accurately updates the general service contractor's floorplan automatically.

EXPOCAD® eliminates costly mistakes and will not forget, overbook, double number or drop a sticky dot.

EXPOCAD® Spacedraw customers have reported 70 to 90% rebooking rates – extremely effective!
