

# SUSTAINABILITY

## PURPOSE

Working Group members are responsible for capturing and defining member wants and needs within the areas of sustainability and operational efficiency, to express common issues, aims and practices that would be better shared, tackled and discussed as a collective. Members of the Cross-Association Sustainability Working Group are responsible for staying ahead of related legislation and building relationships with key bodies.

## OBJECTIVE

Launch sustainability commitments and review the UN Sustainability Development goals and apply their relevance across our industry. Further 2021 objectives to be decided.

## PARTICIPATION

Membership of this group is open to all AEV members plus a selection of other organisations and individuals recommended by the group. It is aimed at attracting those within all role that influence sustainability compliance working for event venues, organisers and event suppliers.

## FREQUENCY & LOCATION

For the course of 2021, the group are going to meet monthly and reviewed as the pandemic guidance evolves. This is to support the group's strategy and prepare for the reopening of events from Q2 onwards.

Gatherings are to be held virtually with the intention to meet face to face at a UK venue location TBD for a full day of collaboration.
