WING Specification

Hall 1

main hall | area | 1050m²
ceiling height | 8 m
mezzanine | area | 455m²
ceiling height | 2.4m
capacity | 60-1200

The Wing offers a versatile space to suit all event types - from small intimate meetings to large scale conferences, exhibitions and product launches.

Halls 1, 2 and 3 not only offer over 1,000 square metres of flexible space, they each have their own mezzanine floor of around 450 square metres, natural daylight and fantastic views overlooking the pit straight of the Grand Prix Circuit. Each hall provides a blank canvas, allowing you the freedom and flexibility to create a truly memorable event.

Leading up to the event, setting up your space couldn't be simpler with a ramp and vehicle access directly into Hall 1 and the option of interconnecting access through to halls 2 and 3.

“ I think it's a brilliant facility. The Wing answers a lot of client's needs. ”

Hall 2

Hall 3

main hall area | 1050m²
ceiling height | 8 m
mezzanine area | 430m²
ceiling height | 2.4 - 10m
capacity | 60-1200

“ The Silverstone Wing is a premium experience, which is exactly what we wanted to offer our dealers, set in an environment steeped in motorsport history. ”

Hall 4

main hall area | 460m²
ceiling height | 10 m
mezzanine area | 800m²
ceiling height | 8m
capacity | 60-200

Hall 4 is a truly inspiring room - set at the highest point of the building the mezzanine offers an amazing view of Silverstone and the surrounding area from both sides of the room.

Hall 4 has a sound proofed partition which means that it can be used independently of hall 5 or as a continuation of the room. Even more flexibility is offered as a door located in the partition makes it the perfect solution for syndicates, breakouts and catering.

Hall 5

main hall area | 910m²
ceiling height | 8m
mezzanine area | 290m²
ceiling height | 4m
capacity | 60-800

Hall 5, adjoining the roof terrace, is approached directly via the grand staircase and offers views from three different aspects.

International Media Centre

As the name implies, this room is used by the world's media when there are large events at Silverstone, when it is set to accommodate an army of journalists.

IMC suite 1
area 210m²
ceiling height 3.4 m
capacity 40-200

There are plenty of power sockets and connections in the floor, which makes it a great room for syndicates and smaller exhibitions.

IMC suite 2
area 286m²
ceiling height 3.4 m
capacity 40-200

The IMC can be partitioned into two or three smaller areas, with an interconnecting corridor front and back. This facilitates delegate movement between the rooms when used as syndicates. The International Media Centre is the perfect space for breakout rooms, lunch and entertainment areas.

IMC suite 3
area 273m²
