

## 11-12 June, 2025 George R Brown Convention Center, Houston

The Energy Projects Conference & Exhibition is the largest event in the world for professionals involved in major energy projects.

No other event brings together every major project owner / operator and EPC working across LNG Export, Hydrogen, Ammonia, Methanol, Petrochemical, Chemical, Refining, Sustainable Aviation Fuel & Midstream major project development.

Below is an overview of the 1,500+ owner / operator / EPC attendees already registered to attend the 2025 EPC Show. Check out how you can join them here

## Project Owner / Operators and EPC Companies Confirmed to Attend in 2025

Air Liquide	Kent
Air Products	Kiewit
Alder Midstream	Kinder Morgan
Apache Industrial	LanzaJet
Arm Energy	Linde
Audubon	LNG Canada
Avina Clean Hydrogen	LS Power
Azure Sustainable Fuels	LSB Industries
BASF Corporation	LyondellBasell
Bechtel Corporation	Marathon Petroleum
Black & Veatch	McDermott International
bp	Mexico Pacific
Burns & McDonnell	Monarch Energy
Cameron LNG	Montana Renewables LLC
Cathay Pacific	Motiva Enterprises
Celanese	National Grid Ventures
Chemours	Neste
Cheniere Energy	New Fortress Energy
Chevron	NextDecade
Chevron Phillips Chemical Company	Nova Chemicals
Colonial Pipeline Company	Nutrien
Commonwealth LNG	NXTClean Fuels, Inc.
ConocoPhillips	OCI Global
CIP	ONEOK
Delfin LNG	Pattern Energy Group
Delta Airlines	Peru LNG
Delfin LNG	Pattern Energy Group

Dow Chemical	Petrofac
Eagle LNG Partners	Petronas Canada LNG Ltd.
EDP Renewables North America	Phillips 66
Enbridge	Proman
Energy Transfer	RWE
Eni	SABIC
EnLink Midstream	Sempra Infrastructure
ExxonMobil	Shell
First Ammonia	SkyNRG
Flint Hills Resources	SoCalGas
Fluor	Solvay
Fortescue	Southwest Airlines
Freeport LNG	StormFisher Hydrogen
Ghana National Gas Company	Strategic Biofuels
Glenfarne Energy Transition	Summit Midstream
Golden Pass LNG	Targa Resources
Green Hydrogen International	TC Energy
Hargrove Engineers & Constructors	Technip Energies
Harvest Midstream	TES H2
Hess Corporation	Total Energies
HIF Global	Turkish Airlines
Howard Energy Partners	Uniper
Humble Midstream	United
Hunt LNG Operating Company	Valero
INEOS	Venture Global LNG
INPEX USA, Inc.	Williams
Invista Chemical	Wood
JERA Americas	Woodfibre LNG
Jet Infrastructure	Woodside
JGC Americas	Worley
KBR	Yara International
	Zachry Group

## **Project Owner / Operators and EPC Attendees Confirmed for 2025**

Advanced Senior Engineer	Piping Procurement Specialist
Advanced Work Packaging Manager	PM
Advisor Project Engineering	Preconstruction Senior Director
Analyst, Compliance & Sustainability	President
Area Director of Construction, Commissioning	President - Development Services
and Start Up	
Asset Information Manager	President - Energy
Associate Construction Specialist	President - LNG
Associate Director - CO2-Capture and Clean	President – OGC Engineering
Technologies	
Associate Director Instrumentation & Analytical	President Low Carbon Solutions

Associate Process Engineer	Principal Engineer
Associate Process Engineer  Associate Procurement Manager Capital	Principal Engineer  Principal Estimator
Projects	Principal Estimator
Associate Project Controls Specialist	Principal LNG Process Engineer
Assurance Manager	Principal Manager - Ammonia
BBHP Brownfield Process Engineer	Principal Mechanical Engineer – Static
Board Member	Principal Operations GIS Specialist II
BSQE GBU Manager	Principal Process Engineer
Business Intelligence Advisor	Principal Process Safety Engineer
Business Interface Manager	Principal Processing Engineer
Business Line Specialist	Principal Project Engineer
Business Operations Specialist	Principal Solution Architect
Business Process Efficiency Manager	Principal Strategic Sourcing Advisor
Buyer, Terminal & Operations	Principal Vice President - Chief Supply Chain
	Officer
Capital / Turnaround Scheduler	Principle Pipeline Engineer
Capital Engineering and Site Development	Principle Process Engineer
Manager	
Capital Procurement Manager	Process Automation Manager
Capital Project Engineer	Process Automation Manager and MES Project
	Lead
Capital Projects Manager	Process Design Engineer
Capital Projects Procurement Specialist	Process Design Lead
Category Buyer- Engineering Services	Process Director
Category Lead	Process Engineer
Category Management and Contracts Manager	Process Engineer - Ammonia SME
Category Manager	Process Engineer - OGC Engineering
CCL4 Interface Manager	Process Engineer 5
Central Projects Director	Process Engineer II
CEO	Process Engineer III
Chairman, President & CEO	Process Engineering Manager
Chairperson & CEO	Process Equipment Specialist
Chief Engineer, Vessels & Tanks	Process safety engineer
Chief Estimating SME	Process Technology Specialist
Chief Operating Officer	Procurement – Rotating & PU
Chief SAF SME	Procurement Quality Manager
Chief Technical Officer	Procurement Specialist
Chief, Process Safety Management	Procurement Turnaround Specialist
CIVIL ENGINEER	Product Control
CMMS Specialist	Product Line Manager
Commercial Procurement Manager	Production Scheduler
Commercial Project Development Manager	Production Specialist
Commissioning & Start Up Completions	Production Supervisor
Coordinator	
Commissioning and Start-up Sponsor	Program Director
Commissioning Manager	Program Manager

Commissioning, Start-up, and Demolition Leader	Program Manager, Engineering and Projects
Completions Advisor	Project & Turnaround Manager
Construction Coordinator - Pluto LNG Train 2	Project Administrator
Construction Director	Project Advisor
Construction Engineer	Project Control
Construction Global Improvement Leader	Project Control Analyst
Construction Lead	Project Control Engineer
Construction Manager	Project Controls IV
Construction Manager Large Projects	Project Controls Manager
Construction Manager, Americas	Project Controls Manager (ABU)
Construction Project Manager	Project Controls Planner
Construction Science	Project Cost Analyst
Contract Specialist II	Project Developer
Contracts and Strategic Manager	Project Development Advisor
Contracts Manager	Project Development Director
Control Systems Engineer	Project Development Engineer
Controller	Project Director
Controlling Manager	Project Director - EPC
COO & EVP	Project Director - Lake Charles LNG
Corporate Expediting Manager	Project Director - TXLNG
Corporate Supplier Relationship Manager	Project Engineer
Corporate Sustainability Management,	Project Engineer II
Specialist	Troject Engineer ii
Corporate Turnaround Technical Manager	Project Engineer/Manager
CP2 - Rotating and Package Equipment Lead	Project Engineering Manager
Credit Analyst	Project Execution Expertise Leader
CSA Estimator / Field Engineer II	Project Executive
CSA manager	Project Management
CSU Lead	Project Management Team (Concept to
	Execution)
CSU Manager	Project Manager
CSU Mechanical Lead	Project Manager - Americas
CSU Mechanical Specialist   Port Arthur LNG	Project Manager – Capital Projects
Delivery Manager	Project Manager - Green/Blue H2 & CCUS
Department Manager - IFC	Project Manager Asset Management
Department Manager Construction	Project Manager of Engineering
Deputy Director of Commissioning	Project Procurement Manager
Deputy Head of Legal	Project Regulatory Coordinator
Deputy Project Director	Project Specialist
Design for Reliability & Maintainability (DFRAM)	Project Subcontracts Manager
Design Manager, Technical Site Services	Project Supervisor
Development Director	Project Support Assistant
Digital Manufacturing Lead - Digital transformation	Project Support Specialist
Director	Projects Construction Leader
1	

Director - Alternative Energy	Purchasing Specialist
Director - Engineering and Controls	Purchasing Specialist/Buyer
Director - Engineering and Controls  Director - Enterprise Data Governance	Quality Coordinator / Inspection Manager
Director - EPC Front End Services	
	Quality Manager
Director - Land	Regional Analytical Director - Texas
Director - Midstream Policy	Regional IEA Discipline Engineer
Director - Pipeline Execution	Regional Project Manager
Director - Project Development	Regional Workforce Services Manager - North America
Director - Risk Management	Regulatory & Compliance Director
Director - The Sustainable Skies Labs	Regulatory and Permitting Manager
Director CCUS Subsurface	Reliability and Maintenance Consultant
Director Digital Transformation Manufacturing	Reliability Engineering Manager
Director Hydrogen Project Development and Execution	Resourcing Specialist
Director Low Carbon Hydrogen	RFO Manager
Director New Energies & Sustainability	RFO Planner / Scheduler - LNG
Director of Administration	Rotating / Packaged Equipment Engineer
Director of Biofuel Technology	Rotating Equipment Engineer
Director of Commissioning	SAF Supply Assurance Manager
Director of Engineering	Safety / SSHE Manager
Director of Engineering & Construction	SCADA Systems Supervisor
Director of LNG	Scheduler
Director of LNG Operations	Scheduling / Planner
Director of Maintenance	Senior Commercial Scheduler
Director of Manufacturing Operations	Senior Commissioning Tech- Golden Pass LNG
Director of New Energies US	Senior Completions / Commissioning Manager
Director of Operations	Senior Completions Manager
Director of Procurement & Supply Chain	Senior Consultant (EPC Contracts)
Director of project controls	Senior Counsel
Director of Project Development	Senior Counsel - Project Development
Director of Projects	Senior Counsel ECA LNG
Director of Supply Chain	Senior Designer
Director of Supply Chain, Global Logistics	Senior Digital Advisor, Engineering
Director Ops Engineering	Senior Director - LNG and Power
Director Project Development & Engineering	Senior Director Engineering & Construction
Director Project Development & Engineering	Senior Director for Project Execution and
Management	Construction for Global Projects
Director Reliability and Integrity	Senior Director of Global Asset Integrity and
Director Potating Facilities	Turnarounds
Director Rotating Equipment	Senior Director of Supply Chain Management
Director SCM	Senior Director Supply Chain
Director Supply Chain Center of Excellence	Senior Director, Business Development
Director Supply Chain Management	Senior Director, Engineering
Director, Capital Projects	Senior Director, Operations, NAS
Director, Cybersecurity	Senior E/I &Controls Engineer

Director, Engineering Director, Environmental and Regulatory Affairs Director, Environmental and Regulatory Affairs Director, Health, Safety & Environment Director, Health, Safety & Environment Director, Health, Safety & Environment Director, Market Fundamentals - Global LNG Director, Performance and Commercial Operations Director, Pilots & Projects – Energy Solutions Director, Project Development Director, Project Development Director, Project Development Senior Gas Storage Engineer Director, Project Development & Engineering Director, Project Development & Senior Geotechnical Engineer Director, Project Development & Senior Manager - Design Support Director, Project Management Engineering Director, Project Management Engineering Director, Project Solutions Director, Renewable Energy and Clean Fuels Senior Manager for H2 Director, Southwest Region, Office of Pipeline Safety Director, Supply Chain Director, Supply Chain Director, Turbomachinery Director, Turbomachinery Senior Manager, Air Director, Turbomachinery Senior Manager, Engineering & Project Management Document Control Team Lead Senior Manager, Engineering & Project Management Senior Manager, Process Engineering E&C Project Management Senior Manager, Process Engineering E&C Project Management Senior Manager, Process Engineering Senior Manager, Strategy Department E&C A LNG Mexico Financial Controller Senior Manager, Process Engineering Early Careers Manager Senior Manager, Strategy Department ECA LNG Mexico Financial Controller Senior Manager, Strategy Department Sector Mexico Financial Controller Senior Project Manager Electrical Commissioning Specialist Senior Project Jengineer Senior Project Engineer Senior Principal Manager  Electrical Engineer Senior Principal Manager Senior Principal Manager Senior Principal Manager Electrical Engineer Senior Process Engineer Energy Transition Leader Senior Process Engineer Energy Transition Manager Senior Professional Technical Leader Process	Director, Electrical Engineering and Renewable Power	Senior Engineer
Director, Environmental and Regulatory Affairs Director, H2E Solutions and Projects Director, Health, Safety & Environment Director, Market Fundamentals - Global LNG Director, Market Fundamentals - Global LNG Director, Performance and Commercial Operations Director, Performance and Commercial Operations Director, Projects - Energy Solutions Director, Project Development Director, Project Development Director, Project Development Senior Geotechnical Engineer Director, Project Execution Director, Project Management Engineering Director, Project Management Engineering Director, Project Senior Senior Manager - Design Support Director, Project Development Director, Project Management Engineering Director, Project Management Engineering Director, Project Senior Manager - Major Capital Projects Director, Project Senior Manager - Major Capital Projects Director, Southwest Region, Office of Pipeline Senior Manager for H2 Senior Manager Low Carbon Energy Transportation Director, Supply Chain Director, Supply Chain Director, Supply Chain Director, Turbomachinery Senior Manager, Engineering & Project Management Document Control Team Lead Senior Manager, Engineering & Project Management Document Control Team Lead Senior Manager, Engineering & Project Manager Senior Manager, Process Engineering Early Careers Manager Senior Manager, Process Engineering Early Careers Manager Electrical Commissioning Specialist Senior Mechanical Engineer / Heat Transfer Specialist Electrical Completions Lead Senior Operator Electrical Engineer Senior Principal Manager Electrical Project Engineer Senior Principal Manager Electrical Project Engineer Senior Principal Manager Electrical Project Engineer Senior Principal Process Engineer Energy Transition Leader Senior Procurement Manager Energy Transition Leader Senior Professional Technical Leader Process		Senior Engineer, Instrumentation and Controls
Director, H2E Solutions and Projects Director, Health, Safety & Environment Director, Health, Safety & Environment Director, Market Fundamentals - Global LNG Director, Performance and Commercial Operations Director, Pilots & Projects – Energy Solutions Director, Process Technology Director, Project Development Director, Project Development Director, Project Development Director, Project Development Senior Geotechnical Engineer Director, Project Development Senior Manager - Design Support Director, Project Execution Director, Project Management Engineering Director, Project Management Engineering Senior Manager - Design Support Director, Project Dusa Operations Director, Renewable Energy and Clean Fuels Director, Southwest Region, Office of Pipeline Safety Director, Supply Chain Director, Supply Chain Director, Turbomachinery Document Control Team Lead Document Control Team Lead Senior Manager, Environmental Sustainability Document Control Team Lead Senior Manager, Des Engineering E&C Project Management Senior Manager, Senior Manager, Process Engineering E&C Project Management Senior Manager, Senior Manager, Process Engineering EACL NG Mexico Financial Controller Senior Manager, Senior Manager, Senior Manager Electrical Commissioning Specialist Senior Menager, Senior Manager Electrical Completions Lead Senior Professional Engineer / Heat Transfer Specialist Electrical Engineer Senior Principal Commissioning tech Electrical Project Engineer Senior Principal Designer Engineering Electrical Project Engineer Senior Principal Manager Senior Principal Process Engineer Energy Transition Leader Senior Professional Technical Leader Process Engineer Energy Transition Manager Senior Professional Technical Leader Process		-
Director, Health, Safety & Environment Director, Market Fundamentals - Global LNG Director, Performance and Commercial Operations Director, Pilots & Projects – Energy Solutions Director, Project Development Director, Project Development Senior Geotechnical Engineer Director, Project Execution Director, Project Execution Director, Project Management Engineering Director, Project Management Engineering Director, Project Session Senior Manager - Major Capital Projects Director, Project Management Engineering Director, Project Management Engineering Director, Project Management Engineering Director, Southwest Region, Office of Pipeline Safety Director, Southwest Region, Office of Pipeline Safety Director, Supply Chain Director, Supply Chain Director, Turbomachinery Document Control Team Lead Document Control Team Lead Document Controller Early Careers Manager EAC LNG Mexico Financial Controller Electrical Commissioning Specialist Electrical Engineer Electrical Engineer Electrical Engineer Electrical Engineer Electrical Engineer Electrical Engineer Electrical Project Engineer Energy Transition Leader Energy Transition Manager Engineer Senior Professional Technical Leader Process Engineer Enginee		
Director, Market Fundamentals - Global LNG Director, Performance and Commercial Operations Director, Pilots & Projects – Energy Solutions Director, Process Technology Director, Project Development Director, Project Development & Engineering Director, Project Development & Senior Geotechnical Engineer Director, Project Execution Director, Project Execution Director, Project Management Engineering Director, Projects – USA Operations Director, Projects – USA Operations Director, Renewable Energy and Clean Fuels Safety Director, Southwest Region, Office of Pipeline Safety Director, Supply Chain Director, Supply Chain Director, Supply Chain Commercial Director, Turbomachinery Senior Manager, Engineering & Senior Manager, Engineering & Project Management Document Control Team Lead Document Control Team Lead Document Control Team Lead Senior Manager, Process Engineering E&C Project Management Early Careers Manager Electrical Commissioning Specialist Electrical Completions Lead Electrical Engineer Electrical Engineer Electrical Engineer Senior Piping Designer Engineering Electrical Project Engineer Electrical Project Engineer Electrical Project Engineer Electrical Project Engineer Senior Principal Manager Electrical Project Engineer Energy Transition Manager Senior Process Engineer Energy Transition Manager Senior Process Engineer Energy Transition Manager Senior Professional Technical Leader Senior Process Engineer	<u> </u>	
Director, Performance and Commercial Operations Director, Pilots & Projects – Energy Solutions Director, Process Technology Director, Project Development Director, Project Development Senior Geotechnical Engineer Director, Project Development & Engineering Director, Project Execution Director, Project Execution Director, Project Management Engineering Director, Project Management Engineering Director, Project Management Engineering Director, Projects – USA Operations Director, Renewable Energy and Clean Fuels Senior Manager - Major Capital Projects Director, Renewable Energy and Clean Fuels Senior Manager Low Carbon Energy Transportation Director, Southwest Region, Office of Pipeline Safety Director, Supply Chain Director, Supply Chain Commercial Director, Supply Chain Commercial Director, Turbomachinery Senior Manager, Construction Director, Turbomachinery Senior Manager, Engineering & Project Management Document Control Team Lead Senior Manager, Engineering & Project Management Sex Project Management Senior Manager, Frocess Engineering Early Careers Manager Senior Manager, Strategy Department ECA LNG Mexico Financial Controller Senior Manager, Strategy Department ECA LNG Mexico Financial Controller Senior Manager, Strategy Department Electrical Completions Lead Senior Operator Electrical Engineer Senior Piping Designer Engineering Electrical Froject Engineer Senior Piping Designer Engineering Electrical Project Engineer Senior Principal Manager Senior Principal Manager Senior Principal Manager Senior Principal Manager Senior Principal Process Engineer Energy Transition Leader Senior Process Engineer Senior Process Engineer Senior Process Engineer	<u> </u>	
Operations Director, Pilots & Projects – Energy Solutions Director, Process Technology Senior Gas Storage Engineer Director, Project Development Senior Gas Storage Engineer Director, Project Development Senior LNG Operations Manager Director, Project Execution Senior Manager - Design Support Director, Project Management Engineering Director, Project Management Engineering Senior Manager - Major Capital Projects Director, Projects – USA Operations Senior Manager - Major Capital Projects Director, Renewable Energy and Clean Fuels Director, Renewable Energy and Clean Fuels Senior Manager Low Carbon Energy Transportation Senior Manager of Instrumentation and Controls Engineering Director, Southwest Region, Office of Pipeline Safety Senior Manager, Air Senior Manager, Air Director, Supply Chain Director, Supply Chain Commercial Senior Manager, Engineering & Project Management  Document Control Team Lead Senior Manager, Engineering & Project Management  Document Controller Senior Manager, OFE Planning E&C Project Management Senior Manager, Strategy Department Senior Manager, Strategy Department ECA LNG Mexico Financial Controller Senior Manager, Strategy Department ECA LNG Mexico Financial Controller Senior Manager, Strategy Department Senior Operator Electrical Completions Lead Senior Operator Electrical Project Engineer Senior Piping Designer Engineering Electrical Project Engineer Senior Principal Manager  Development Lead Senior Principal Manager Senior Principal Manager Senior Principal Process Engineer Energy Manager - Net Zero Hydrogen Senior Procurement Manager Energy Transition Leader Senior Procurement Manager Senior Procurement Manager		Senior Environmental Specialist
Director, Process Technology Director, Project Development Director, Project Development Senior Geotechnical Engineer Director, Project Development & Engineering Director, Project Development & Engineering Director, Project Execution Director, Project Management Engineering Director, Project Management Engineering Director, Projects — USA Operations Director, Renewable Energy and Clean Fuels Director, Renewable Energy and Clean Fuels Director, Southwest Region, Office of Pipeline Safety Director, Supply Chain Director, Supply Chain Director, Supply Chain Commercial Director, Turbomachinery Senior Manager, Air Director, Turbomachinery Senior Manager, Engineering & Project Management Document Control Team Lead Senior Manager, Environmental Sustainability Document Controller Senior Manager, OFE Planning E&C Project Manager Senior Manager, Strategy Department ECA LNG Mexico Financial Controller Senior Manager, Strategy Department ECA LNG Mexico Financial Controller Senior Mechanical Engineer / Heat Transfer Specialist Electrical Completions Lead Senior Operator Electrical Engineer Senior Process Engineering Electrical Project Engineer Senior Principal Commissioning tech Electrolyser Product and Solutions Development Lead Energy Manager - Net Zero Hydrogen Energy Transition Manager Engineer Senior Procurement Manager Engineer	Operations	·
Director, Project Development Senior Geotechnical Engineer Director, Project Development & Engineering Director, Project Execution Senior LNG Operations Manager Director, Project Execution Senior Manager - Design Support Director, Project Management Engineering Senior Manager - Major Capital Projects Director, Projects - USA Operations Senior Manager for H2 Director, Renewable Energy and Clean Fuels Senior Manager Low Carbon Energy Transportation Director, Southwest Region, Office of Pipeline Senior Manager of Instrumentation and Controls Engineering Director, Supply Chain Senior Manager, Air Director, Supply Chain Commercial Senior Manager, Construction Director, Turbomachinery Senior Manager, Engineering & Project Management Document Control Team Lead Senior Manager, Environmental Sustainability Document Controller Senior Manager, OFE Planning E&C Project Management Senior Manager, Process Engineering Early Careers Manager Senior Manager, Frocess Engineering Early Careers Manager Senior Manager, Strategy Department ECA LNG Mexico Financial Controller Senior Manager, Strategy Department Electrical Completions Lead Senior Operator Electrical Engineer Senior Piping Designer Engineering Electrical Project Engineer Electrical Project Engineer Senior Principal Commissioning tech Electrical Project Engineer Senior Principal Manager Electrolyser Product and Solutions Senior Principal Process Engineer Energy Manager - Net Zero Hydrogen Senior Process Engineer Energy Transition Leader Senior Process Engineer Energy Transition Manager Engineer Senior Professional Technical Leader Process	Director, Pilots & Projects – Energy Solutions	Senior Field Engineer
Director, Project Development & Engineering Director, Project Execution Senior Manager - Design Support Director, Project Execution Senior Manager - Major Capital Projects Director, Projects - USA Operations Director, Renewable Energy and Clean Fuels Director, Southwest Region, Office of Pipeline Safety Director, Supply Chain Director, Supply Chain Director, Supply Chain Director, Turbomachinery Document Control Team Lead Document Control Team Lead Senior Manager, Environmental Sustainability Document Controller Second Manager, Process Engineering Early Careers Manager ECA LNG Mexico Financial Controller Senior Manager, Senior Manager, Senior Manager Electrical Completions Lead Electrical Engineer Electrical Project Engineer Senior Manager Senior Principal Commissioning tech Electrical Project Engineer Senior Principal Process Engineer Senior Process Engineer Senior Process Engineer Senior Process Engineer	Director, Process Technology	Senior Gas Storage Engineer

Engineer II Senior Program Manager	Engineer II	Senior Program Manager
Engineer II, Project Development – FEED Senior Project Advisor	Engineer II, Project Development – FEED	Senior Project Advisor
Engineer III Senior Project Controls Manager	Engineer III	Senior Project Controls Manager
Engineer III, Project Development – Tactical Senior Project Director, Engineering &	Engineer III, Project Development – Tactical	Senior Project Director, Engineering &
FEED & Execution Construction	FEED & Execution	Construction
Engineering & Consultancy Services Manager Senior Project Engineer	Engineering & Consultancy Services Manager	Senior Project Engineer
Engineering and Projects Manager Senior Project Expediting Specialist	Engineering and Projects Manager	Senior Project Expediting Specialist

Engineering Leader	Senior Project Manager
Engineering Manager	Senior Project Manager - Engineering -
	Modularization SME
Engineering Manager, OSBL	Senior Project Manager, Development &
	Execution
Engineering Study Manager	Senior projects Manager
Engineering Superintendent, Projects	Senior Proposals Manager
Engineering Supervisor - Underground Storage	Senior Reliability Engineer
Enterprise Risk Manager	Senior Sourcing Manager
Environmental & Regulatory Compliance	Senior Specialist, Center of Excellence
Advisor	
Environmental Engineer	Senior Staff Reliability Engineer, Mechanical
Environmental Engineer I	Senior Strategic Procurement Advisor
Environmental Manager	Senior Subcontracts Manager - Global
	Subcontracts Management
Environmental Specialist	Senior Sustainable Fuels Consultant
EOEG Business Manufacturing Manager and	Senior Systems Planning Engineer
C&SU Leader	
EPC Contracts Advisor	Senior Vice President – South Central Region
	General Manager
EPC Director	Senior Vice President and Chief Energy Strategist
EPC Project Development	Senior Vice President Global Engineering
	Services
EPC Sponsor	Senior Vice President of Corporate Development
Estimator/Field Engineer 3	Senior VP Operations & Technology
EVP - Chief Human Resources Officer	Site Manager
EVP and Chief Commercial Officer	Site Manager - Louisiana Integrated Polyethylene JV
Execution Logistics Advisor III Modularization	Site Reliability and Maintenance Director
Executive Director	SME - LNG Technology & Start-Up
Executive Director - Global Project Delivery Functions	SNR COMMISSIOINING MANAGER
Executive Director - Global Project	Solution Development Manager
Management and Delivery	
Executive Director Downstream America	Sourcing and Procurement Leader
Consulting	
Executive Officer	Specialist, Direct Procurement
Executive Project Director	Specialist, RFO Maintenance
Executive Vice President Head of Business	Sr Civil / Structural Engineer
Affairs, LNG	
Export Project Sr. Maint. Advisor	Sr Commissioning Engineer
Federal Relations	Sr Director - Process Technology
Field Engineer 2	Sr Director NGL
Field Operations Supervisor	Sr Engineering Manager
Field Procurement Functional Manager	Sr Environmental Coordinator
Finance JV Director	Sr Growth Technology Manager
Fixed Equipment Inspection Team Lead	Sr Manager, Growth Projects
	<u> </u>

FLNG Offshore Marine Superintendent &	Sr PD
Coordinator	
Galveston Bay Refinery - Lab Tester	Sr Product Manager
Gast Storage Planning & Optimization Engineer	Sr Product Steward
General Manager for Project Delivery	Sr Project Manager
General Manager, Engineering department	Sr Project Manager, Major Projects
Global Category Manager Fabrication &	Sr Purchasing and Contracts Specialist
Construction	
Global Construction Director	Sr Transformation Project Manager, Strategy
Global Development Projects	Sr. Admin Coordinator to Darya Swaby
Global Head - Projects & Facilities Engineering	Sr. Business Leader, Renewable Fuels
Global Head of Development Projects	Sr. Contracts Manager
Global Manager of Operations - Energy Transition	Sr. Control Systems Engineer
Global Mechanical Engineering Director	Sr. Director
Global Projects Execution Leader	Sr. Director - US Midstream
GM - New Energies, Chemicals and Fuels	Sr. Director Operations Talent Strategy and
	Employee Experience
Green & Blue Hydrogen Project Manager	Sr. Engineer, Instrumentation & Controls
Group President – Americas	Sr. Environmental Manager
Group President, Energy Solutions	Sr. Financial Analyst
GSC, Bakken Sr Manager	Sr. HR Advisor
Head of Carbon	Sr. Manager
Head of Marine & Shipping	Sr. Manager, Engineering
Head of Marine Operations	Sr. Manager, Project Systems and Information
Head of Power Supply	Sr. Manager, Sustainability and Decarbonization
Head of Project Development	Sr. Mechanical Engineer
Head of Sustainable Aviation Procurement, Americas	Sr. Operations Manager - Continuous Improvement
Health Safety Security & Environmental Advisor	Sr. Operations Manager, Regulatory
Heat Transfer Consultant	Sr. Preconstruction Manager
Houston Hub Engineering & Construction	Sr. Process Engineer
Leader	0 11
HR Manager PALNG	Sr. Process Engineer - LNG
HRO Turnaround / Outage Leader	Sr. Proj Mgr – Project Controls, Eng. &
	Construction
HSSE Director	Sr. Project Development Advisor
HSSE Manager	Sr. Project Development Manager
Hydrogen Business Development Director	Sr. Project Engineer
Hydrogen Projects Fellow	Sr. Project Manager
Hydrogen/CCS Development	Sr. RFO Scheduler
IE Maintenance Staff Engineer	Sr. Staff Engineer, Process Safety
ILI Project Manager	Sr. Strategic Procurement Advisor
Industrial Automation Security & OT Systems	Sr. Structural Engineer
Manager Instrument Supervisor	Cr. Custoinability Manager
Instrument Supervisor	Sr. Sustainability Manager
Instrumentation and Controls Engineer	Sr. Technical Advisor Process

Integration Manager	Sr. Technical Advisor, Technologies
IT / OT Project Manager	Sr. Technical Trainer
IT Operations	Sr. Technology Director - Green Hydrogen
IT/OT Operations	Staff Engineer, Electrical
Key Account Manager Engineering	Static Equipment Engineer
Key Accounts	Strategic Sourcing Advisor
Large Project Construction Manager	Structuring and Portfolio Analyst
Lead- Asset Integrity	Study Manager
Lead Construction Coordinator	Supplier Qualification Process Owner
Lead Control Systems Engineer	Supplier Quality
Lead Document Controller	Supply Chain
Lead Engineer - Special Projects	Supply Chain Contracts & Risk Program Manager
Lead Power Systems Engineer	Supply Chain Coordinator
Lead Process Engineer	
	Supply Chain Manager
Lead Project Controls	Supply Chain Specialist
Lead Structural Engineer / Project manager	Supply Chain Specialist II
Lead, Commercial, Business Development	SVP - Americas
Leader - Project Development	SVP - Engineering & Operations
LEF Business Development Advisor	SVP - Freeport Site
LNG Consultant	SVP - Human Relations
LNG Engineer	SVP - Policy, Government & Public Affairs
LNG Project Engineer	SVP Engineering & Construction
LNG Senior Operations Manager	SVP Operations
LNG Sr Engineer - Regulatory	SVP, Finance
LNG Sr Engineer • Permitting	SVP, Manufacturing Americas
LNG Training Specialist - O&M	T/A Lead Planner
Logistics Team Lead - Dow Mega Projects	TAR Advisor - Special Projects Lead
Louisiana LNG	Team Lead Market Intelligence
Low Carbon Fuels Program Manager - Project	Technical Advisor
Delivery	Tachnical Instrument Assurance Engineer
Low Emission Fuels Business Development Advisor	Technical Instrument Assurance Engineer
Lower Emissions Fuels Business Development	Technical Lead, Integrated Project Review -
Manager Manager	Midstream
M&E Business Process Leader	Technical Manager
M&E Project Manager	Technical Market Manager
Maintenance & Reliability Manager	Technical Professional
Maintenance and Reliability Manager - Central	Technology Developer
Maintenance and Turnaround Manager (MTAC)	Technology Manager - Americas Large Projects
<b>5</b> ( ,	Development
Maintenance Engineer D-line La Porte	Technology Manager - Ammonia, H2 & Methanol
Maintenance Manager	Technology Manager, Systems Development and Integration
Major Projects Director	Terminals Procurement Lead
Major Projects Organization Planner &	Transportation Manager
Scheduler	-

Manager - Construction Management	Turnaround / Project Cost Lead
Manager - Low Carbon Development	Turnaround Consultant and Organizational
The state of the s	Change Manager
Manager Capital Projects	Turnaround EHS Delivery Tech
Manager Inventory	Turnaround Lead
Manager of Construction	Turnaround Leader
Manager of Engineering Management	Turnaround Manager
Manager of Growth Projects	Turnaround Material Lead
Manager of Project Engineering	Turnaround Operations Specialist
Manager of Projects Lower Carbon Power	University and Military Relations
Manager of Strategic Projects	US Talent Acquisition Manager
Manager of Technology (LNG & Gas Processing)	USGC Lead Project Manager Ethylene Envelope
Manager Projects	Vendor Management Coordinator
Manager RFO-Maintenance	Vice President - Capital Projects
Manager Subcontracts	Vice President - CCUS & Low-Carbon Solutions
Manager Supply Chain System	Vice President - Commercial Development
Manager, Business Development - North America	Vice President - Downstream
Manager, Diversity, Equity & Inclusion	Vice President - Engineering
Manager, IT Operations Applications	Vice President - Estimating & Proposals
Manager, Mechanical Engineering	Vice President - LNG Business Line Manager

Manager, Permitting & Compliance	Vice President - Project Execution
Manager, Project Controls	Vice President - Projects
Manager, Project Management	Vice President - Refining
Manager, Regulatory Project Strategy	Vice President - Refining, Whiting Refinery
Manager, SAF Development	Vice President - Renewable Fuels
Managing Director	Vice President & Regional Director, North & Central America
Managing Director - Americas	Vice President (Commercial & Operations)
Managing Director – North America	Vice President / Principal Engineer
Marine Area Construction Manager   Port Arthur LNG (USA)	Vice President Business Development
Market Intelligence Analyst	Vice President LNG
Marketing Communications Project Manager	Vice President of Business Analysis and Strategic Growth
Material Manager Americas	Vice President Operations
Materials Coordinator	Vice President Project Development and Services
Mechanical Engineer	Vice President, Hydrogen Business Line Manager
Mechanical Engineering – Static Equipment	Vice President, LNG Operations
Mechanical Integrity Leader	Vice President, Operations
Mechanical Maintenance Supervisor	Vice President, Projects
Member of Advisory Board	VP - Clean Energy
Midstream Integrated Project Review Team	VP - Engineering & Construction
Multi Projects Group Director	VP - Midstream

Natural Gas Scheduler	VP - New Projects
New Opportunity Lead - US	VP - Operations
O/M Site Management	VP – Process Excellence and Strategic Projects
OGC Commissioning Manager	VP & Chief of Staff - Midstream Operations
Olefins & Aromatics Business Manufacturing	VP & Project Director
Technology Director	
Operational Readiness Project Engineer	VP Asset Operations
Operations Engineer	VP Business Development
Operations Lead (CSU)	VP Engineering & Construction
Operations Leader	VP Gas Storage
Operations Project Support Startup Advisor	VP Green Hydrogen
Operations Reliability Engineering	VP of Digital
Operations Specialist	VP of LNG Technology, Operations and Projects
Operations Technology Manager	VP of Operations & Engineering - Low Carbon
	Solutions
Ops Engineering Manager - Electrical,	VP OGC Procurement
Instrumentation & Control	
PALNG Project Contract Manager	VP Operations
Pipeline and Distribution Facilities Engineer	VP Senior Project MDI 3 - Project Director
Pipeline Engineer	VP, Communications
Pipeline Integrity Manager	VP, Contract Operations
Piping Design Supervisor	VP, Project Development
	VP, Regulatory & Permitting
