

EPC Show 2026 - Sample Attendee List

The Energy Projects Conference & Exhibition is the largest event in the world for professionals involved in major energy projects.

No other event brings together every major project owner / operator and EPC working across LNG Export, Gas Power, Nuclear Power, Downstream & Midstream major project development.

Below is an overview of the current owner / operator / EPC attendees already registered to attend the 2026 EPC Show. [Check out how you can join them here](#)

Project Owner / Operators and EPC Companies Confirmed to Attend in 2026

| | | |
|---|-----------------------------------|--------------------------------|
| 183 Solar | Enterprise Products | ONQUEST, INC. |
| 30ATX Ventures | EPB | ORACLE |
| 3147 County Road 510b | EPC Project Management Consulting | Orbia |
| A-1 Construction Services | EQT Corporation | Orbia Fluor & Energy Materials |
| A7 Inspections Services | Equinix | ORGCHEM LLC |
| AAB & ASSOCIATES ENGINEERING LTD | Ethos energy | ORION GROUP HOLDINGS INC |
| AAF | Eunike Ventures | Oxea |
| Aalo Atomics | Excelerate Energy | OXY Occidental |
| ABC Southeast Texas | Exosens | Palacios Marine & Industrial |
| AboitizPower Corporation | Expeditors | Panacea global energy inc |
| Abraham Technologies limited | EXPRO | PARM |
| Accenture Infrastructure and Capital Projects | ExxonMobil | Pattern Energy |
| ACETEK | FBD Groups | Pavion Solutions |

| | | |
|---------------------------------|-----------------------------|---|
| ACT Solutions & Consulting | FedTech | PCBM-Park Construction and Building Maintenance |
| Advanced Biofuels USA | Fenix Solutions, LLC | Peaker Energy |
| Advario | Fermi America | PEMEX |
| Adzepa EPC Limited | Five Star Building Corp. | PEPM Group, PLLC |
| AECON | Flint Hills Resources | Persons Services Corp |
| Aerium | Flowchem | PeruLNG |
| AES | Fluor | PETKIM |
| AFM | Fortescue Future Industries | Phillips 66 |
| Agile Earth | Freelance | Pipeline Technique |
| Agilitas Advisory | Freeport LNG | Plains |
| AIPEC-USA | FunctionZ | Plains All American |
| Air Liquide | G2Fuels | Pneumatech Safety Systems |
| Air Products | Gateway Energy | PointOne Data Centers |
| AJIRIEBA AGRO VENTURES | Gay Family Auto | PopUp Smiles |
| AkzoNobel | GC Van Dam LLC | Port Singapore Authority |
| Alapro LLC | GCP Infrastructure | Portia Eshun enterprises |
| Albemarle Corporation | GE Vernova | Powerplan |
| Albermale | Genesis/Technip Energies | Prairie View A&M University (Center for Energy and Environmental Sustainability) |
| Allient Power/SNC Manufacturing | Geo Fuels | Pro Profit Build |
| Allstream Energy Partners | GeoFuels | PROMA OIL & GAS GLOBAL ENERGY RESOURCES |
| Alten Technologies USA | Girind Capital Group | Proman USA |

| | | |
|--------------------------------------|-------------------------------------|---|
| American aerospace technical Academy | GIS Engineering | Prowaste |
| American Thermowell LLC | Global Partners LP | PSRG |
| AMI | Global Polychem LLC | Pulse Energy Technologies |
| Anixter Wesco | Global Polychem LLC - Houston, TX | Pure Sky |
| Apache Industrial | Global Technical | Push4Power Energy |
| Apex Water &Process | Golden Pass LNG | Px Americas |
| Aphaea Gaea Holding Corporation | GPC Infrastructure | QatarEnergy U.S. Holding Corporation, Inc. |
| APRILE SPA | GR2 Engineering Inc. | Quantrue |
| Apziva | Greenlink Energy LLC | RCT |
| Aramco Americas | Gridrepower Inc | re- stor |
| Arcanum Infrastructure | Grind Capital Group | Red Post Energy Futures |
| ArcLight Advanced Power | GSA Group | Reliable Plant Services |
| Ardent Services, LLC | GTSOU | Renu Energy - Wone Partners |
| Arizona Public Service | Gulf Coast Engineered Solutions Inc | Repsol |
| Armacell | Gulf Companies | Rhino Tool House |
| Arup | Gulf Engineering | Rice-Brothers LLC |
| Assist Services LLC | Gunvor Group | RICHARD |
| Assystem | Hanson | Richard EPC |
| Audubon | Hanwha Data Centers | RIGWORLD INTERNATIONAL SERVICES LIMITED GHANA |
| Aurelia Technologies | Hanwha Energy | Riley Energy |
| Avani Clean Fuels | Hargrove Engineers & Constructors | Rio Tinto |

| | | |
|----------------------------------|----------------------------------|---------------------------------|
| AWS | Hatch | River Construction Inc |
| Azure Sustainable Fuels | HCLTech | RIZZO International, Inc. |
| Baird & Associates Ltd. | Heavy Arrow, Inc. | Robert H Severance Co |
| Baker Hughes | Hess Corporation | RPS Composites - Mobile |
| BASF | HGP Intelligent Energy | Runh Power |
| BASO Resources LLC | HiVolt Energy | RW Energy |
| Baywater Pipeline | Honeywell | RWE |
| Beale Infrastructure Group, LLC | Honeywell UOP | RWI Enhanced Evaporation |
| Beard Construction Group | Houston Advanced Research Center | S&B Engineers and Constructors |
| Bechtel Corporation | Hoyer global USA | SA Services/Skinner AgSolutions |
| Bechtel Energy | Hunt LNG Operating Company | SABIC |
| Bertling Logistics Services | Huntsman | SAMSON CONTROLS, INC |
| Best Wade Petroleum, Inc | HyAxiom | Samsung E&A America Inc. |
| BGS | ICS | Samuel EPC |
| BHP Engineering and Construction | IDEMITSU AMERICAS HOLDINGS | Sargent & Lundy |
| Bhumi construction | IFM Investors | SASI Global M2 |
| Biothera LifeSciences | IFNTUOG | SCI |
| Biourja | IGAM | Scoular |
| Bison Water Midstream | IHI Terrasun | SEG Solar |
| BKV Corporation | IMTT | SEKO Logistics |
| Black & Veatch | Indorama Ventures | Sempra Infrastructure |
| Blue Pony Energy | INEOS | SEnergy |
| Boardwalk Pipelines | INPEX USA, Inc. | Shell |

| | | |
|--------------------------------|--|-------------------------------|
| Bo-Mac Contractors | INS Engineering | SICIM S.p.A. |
| bp | Integra | Siemens Energy |
| Brookhaven National Laboratory | International- Matex Tank Terminals | Simon Fraser University |
| Brunel Energy | Invista | SIS SILverstone |
| Brunel/GoldenPass | Invista Chemical | SK Innovation / LNG Americas |
| Buckeye Partners | IPS of Louisiana Corp | SK Innovation E&S |
| Burns & McDonnell | Japex (U.S.) Corp | Smartronx Technology |
| Burrow Global | Jazzy Services | SOCAR Turkey |
| Calpine | JCI Advanced Technology | Societe Generale |
| Calumet | JE Dunn Construction | Solmax |
| Cameron LNG | Jensen Hughes | Solvay |
| Campos EPC | JERA Americas | sontrach |
| Capital Power | JET Infrastructure | Southern Power |
| Casale | JGC | SOVEREIGN TRUST INSURANCE PLC |
| Caturus | Johnson Controls Inc. | Space City Distribution |
| CCA Environmental | Jublia PTE LTD | SPARC |
| Celanese | Jupiter Island Capital | SQUAMET LLC |
| Cenovus Energy | K&K Inc. | Sri lanka ports Authority |
| CenterPoint Energy | Kaisen Management Consulting, LLC / Texas Engineering Firm F-28037 | SSAF Logistics |
| Centerstream | KBR | StackD |
| CF Industries | KCI Technologies, INC | StarCharge |
| ChemTrade | Kenic Transportation Services LLC | Steppe Energy Holdings LLC |

| | | |
|---------------------------|-------------------------------------|---|
| Cheniere Energy | Kenner Chain Wall | StrataSE |
| Chevron | Kevin Hackett | Strickland Barrera Traders |
| Chevron Energies | Kiewit | SUE “Expo chamber” under the Chamber of Commerce and Industry of Uzbekistan |
| Chevron New Energies | Kinder Morgan | SuperCritical Technologies |
| Chevron Phillips Chemical | Knight Engineering and Construction | Superior Safety Solutions LLC |
| ChevronPhillips Chemical | Koch Specialty Plant Services, LLC | Supernova Energy |
| Citgo | Konscious Planet Technologies LLC | Swinerton Energy |
| Citi Investment Banking | Kosmos Energy | SwissRe Corporate solutions America Holding Corporation (Insurance Company) |
| Citroniq Chemicals | KSPS | Syzygy Plasmonics |
| Civil Substations Inc. | Labelleco Fabrication LLC | T. Baker Smith |
| Clayco | LandAxis | T.EN Workforce Solutions |
| Clean Hydrogen Works | Laney Directional Drilling | Tailwater Capital |
| Clean Joule | Lang Holloway Associates | Tallgrass Energy |
| Clearflow Solutions | Lanmark Engineering | TANEO |
| Clifty Group | Linde | Taproot Energy Partners |
| Cloacina | Linde Engineering | TATA Consulting Engineers |
| CM LogistiX Inc | LNG Americas (SK Innovation E&S) | TC Energy |
| Coffman Engineer | LNG Americas Inc | TECFusions |
| Commonwealth LNG | LNG Americas Inc. | Technint |
| Conduit Power | LNG Canada | Technip Energies |

| | | |
|---|------------------------------|---|
| ConocoPhillips | Lone Star Turbo | Telemetry and Process Controls, Inc. |
| Conserve Solutions Inc. | LONESTAR SILVER VENTURES LLC | Telops |
| Constellation | LS Power | Ternion LLC |
| Constructive US LLC | LT Surveying LLC | Tetra Tech |
| Consulate General of Vietnam in Texas | Lubrizol | Texas A&M |
| Convergent Science | Lumi Research | Texas Commission on Environmental Quality |
| Copenhagen Infrastructure Partners | LyondellBasell | Texas Energy Group |
| Copenhagen Infrastructure Partners (CIP) | M2 | Texas Transformers & Equipment LLC |
| CorrSolutions | Macquarie Group | Texas Tubular Products |
| Cosmo E&P USA | MARA | The Dow Chemical Company |
| CPS Energy | Marabou Midstream LLC | The Precision Group |
| Crimson Industrial Solutions | Marathon Oil Corporatio | The Tellis Group |
| Cross Operations and Consulting | Marathon Petroleum | Third Coast |
| Cyclyx | Mass Transfer, Ltd | Tide Water Marine |
| Cyient Inc. | Matrix PDM | TKO Energy Capital, LLC |
| Cypress Marine Transportation div of IPS Corp | Maverick Water Group | TotalEnergies |
| D.TRADING | McDermott International | TPC Group |
| Daido Steel (America) Inc. | Mechanical Project Engineer | TPPES |
| Dalton Utilities | MesoCaribe Energy | Traffix |

| | | |
|--------------------------------------|-----------------------------------|--|
| Dan Martinez & Associates LLC (M&A) | Methanex | Trident Energy Group |
| DATADCS | Michigan petroleum LLC | Trimed Tech, Inc. |
| DCPS Data Center Power Solutions LLC | Minasolve | Triple S Flotech |
| DD Construction | Mitel | True Alignment Staffing and Recruiting |
| DEANTO HOLDINGS | Mitsubishi Corporation | TSEA Energy USA |
| Dearborn Engineers | Mitsubishi Logisnext Americas Inc | Turner & Townsend |
| Delek Logistics | Mitsubishi Power Americas | Turner Industries |
| Delfin LNG | Mitsui & Co. | Twenty Forth Capital LLC |
| Dem Finance | Monarch Energy | UnifiedCommunications |
| Deployable Energy | Morgan Corp. | Unite Contracting Inc. |
| DG Fuels | Mote, Inc. | Upchurch International Consulting |
| Dhanima Inc | Motiva Enterprises | UPS Industrial Services |
| DigiTech Excellence Solutions | MPLX (MPC) | Valero |
| Discovery Industries | MSB Global | Vantage Data Centers |
| Doosan | MSC | Vantage Laboratory Services, Inc |
| Dow Chemical | Mulholland | Velocys |
| DT Midstream | N/a | Venture Global LNG |
| Duke Energy | Naftogaz Group | VENTURE STEELS |
| dvfancvbernh | Naftogaz Trading Europe AG | Verde Clean Fuels |
| E2 Consulting Engineers, Inc. | National Algae Association | Verso Energy |
| Eastern Companies | National Engineers | Vertex Energy |
| Eastman Chemical Company | National Hose & Accessory | Vestas aircoil |

| | | |
|--|--------------------------------------|----------------------------|
| ECS limited | Nationwide Technologies | Veteran Erosion Services |
| EDD Global | NEI Electrical Power Engineering | Vidiexco |
| Eggelhof | Neste | VISTRA CORPORATION |
| Eldridge Project Solutions | Net Power | Vital Industrial Solutions |
| Electronic AOassembly Service Inc | NEURC | Vitol |
| Elimini | New Fortress Energy | Vondus Inc |
| Elwood | new horizons | Walter P Moore |
| EMR | New York Bay Capital LLC | Wave Crest Energy |
| EMR Group | New York Power Authority | Western LNG |
| Enbridge | NextDecade | Western Midstream |
| Enchanted Rock | Nikola Management LLC | Westlake Chemicals |
| Encina | None | WhiteWater Midstream |
| Energy Abundance Development Corporation | Novetus Engineering, LLC | Wickland Pipelines |
| Energy Flow Equipment | NRG Energy | Williams |
| Energy Resource Consultants, LLC | NSS Industrial | Woltia |
| Energy Transfer | NTT Data Centers | Wood Group |
| ENERMAX | Nuclearn | Woodfibre LNG |
| Energex | Nutrien | Woodside Energy |
| Enestas | NVIDIA | Worldwide Mission Critical |
| ENGIE North America | OEG | Worley |
| Engine No 1 | Office of the Harris County Engineer | WSP |
| Engine No. 1 | OGCS | WSP usa |

| | | |
|--|---|-----------------------------------|
| Engineering | OGCS AMERICAS | XCF Global |
| Enhanced Biofuels and Technologies LLC | Oglethorpe Power Corporation | XGSEnergy |
| ENI | Oil and Gas Development Company Limited | Xoline Electromechanical Services |
| ENI US Operating Co Inc | OK LEASING LATIN AMERICA ENERGY LLC | Yosemite Clean Energy |
| Eni US Operating Co. Inc. | OMV Renewable Fuels & Feedstock US Inc. | Zachry Group |
| enpex corp | OneGas Inc | Zerust Integrity Services |
| Entergy | ONEOK | |

Project Owner / Operators and EPC Attendees Confirmed for 2026

| | | |
|--|---|--|
| ADM Solution Manager | Head of Division of Cooperation with Clients, GTSOU | Regional Account Manager |
| Advisor | Head of Gas and Oil Department, Ministry of Energy | Regional Analytical Director - Texas |
| Agile Coach and Trainer | Head of Gas Power Solutions | Regional Category Buyer |
| AI Operations Architect | Head of Gas Trading, D.TRADING | Regional Engineering Director |
| Americas Business Development Manager - Proxima Coatings | Head of Industrials Investment Banking | Regional Lead Fabrication - Modularization |
| aowunwanne@gmail.com | Head of Logistics | Regional Manager |
| Application Technology Leader | Head of Marine & Shipping | Regional manager |
| Area Vice President | Head of operation | Regional Sales Manager |
| Asset Manager | Head of Pipeline Operations | Regional TAR Project Controls Manager |

| | | |
|---|---|---|
| Asset Manager, Commercial Operations - Gas Power Solutions | Head of Power | Regional Workforce Services Manager - North America |
| Assistant General Counsel | Head of Power Supply | Reliability Director |
| Assistant General Counsel - Business Services | Head of Technology Partnerships | Reliability Engineer |
| Associate | Head of Trading and Market Analytics, D.TRADING | Research Scientist |
| Associate Design Engineer Pipeline Department | HR Senior Specialist | Resident Engineer Controls |
| Associate Director | HRSO Field Engineer | RFO planner |
| Associate Director Instrumentation & Analytical | Human Performance Advisor | RFO Tech Service LNG |
| Associate Director, Project Development | I&C Engineer | Risk Specialist |
| Associate Electrical Engineer | I&C Estimating Assistant Department Manager | ronald.pitman@motiva.com |
| Associate Research Scientist | III - Design Engineer IV | Rotating Equipment Engineer |
| Associate Scheduler – Gas Marketing | Importation of goods | Rotating Equipment Reliability Team Lead |
| Associate VP | Improvement Manager | Safety Advisor |
| Assumenda animi rem omnis cupiditate facilis eligendi excepteur | Industrial Account Executive – LA | Safety Specialist 3 |
| Automation Engineer | Industrial and Commercial Accounts Representative | Sales |
| AVP ES&H | Industrial Business Manager | Sales Enablement Manager |
| AWS Partner Leader, Energy ISVs | Industrial Facilities Leader | Sales Engineer |
| Bayou Bend Project Director | Industrial Sales Engineer | Sales Executive |

| | | |
|---|---|--|
| Beaumont Project Procurement Advisor | Industry Relations & Strategic Partnerships | Sales Manager |
| CAO | Info Sec Engineer II | SC Manager EPC |
| Capex Project Manager | Information Management Analyst | SCADA Supervisor |
| CAPITAL PLANNING, NORTH AMERICA | Information Management Supervisor | SCM Director |
| Capital Procurement Manager | Infrastructure Planning Senior Engineer | scott.heintschel@basf.com |
| Capital Program Director | Infrastructure Solutions Architect | sdsdvscsdcv |
| Capital Project Engineer | In-House Counsel | Section Manger I&C |
| Capital Projects Advisor | Innovation Lead - Capital Projects | Senior Advisor |
| Capital Projects Assurance Manager | Instrument supervisor | Senior Advisor, MCP CP |
| Capital Projects Digital Solutions Manager | Inventory Control Supervisor | Senior Analyst |
| Capital Projects Director | IR | Senior Automation Specialist |
| Capital Projects I/E Engineer | IT Manager - Operations | Senior Business Partner |
| Category Management amd Contracts Manager | IT Project Manager, Sr | Senior Category Manager |
| Category Management Specialist | JV Manager | Senior Civil Structural Engineer |
| Category Manager | lab chemsit | Senior Commissioning Tech |
| Category Manager IT & Indirect | Land Manager | Senior Contracts Specialist |
| Category Specialist | Lead- Asset Integrity | Senior Cost Analyst, Pipeline Project Controls |
| CategoryManager of Projects and Engineering | Lead Construction Manager | Senior Cost Engineer |
| CCL4 Interface Manager | Lead Corporate Advisor | Senior Customer Success Engineer |

| | | |
|---|---|--|
| CCO | Lead Electrical Engineer | Senior Data Engineer |
| CDO | Lead Estimator | Senior Director |
| CEO | Lead I&C Engineer | Senior Director |
| CEO & Founder | Lead I&C engineer | Senior Director - CCUS |
| CEO & President | Lead IMP Engineer | Senior Director - Procurement COE |
| CEO/Owner | Lead Mechanical Engineer | Senior Director Business Development |
| CFO & Director of Business | LEAD PROCESS ENGINEER | Senior Director Supply Chain |
| Chevron Phillips Chemical | Lead Procurement Manager - Finished Lubricants | Senior Director, Energy |
| Chief Business Development Officer | Lead Project Manager | Senior Director, Project Development, Gas Power |
| Chief Commercial Officer | Lead Solution Architect / Cloud/AI Architect | Senior Electrical Engineer |
| Chief Commercial Officer, Naftogaz Group | Lead Specialist PSM & EHS | Senior Electrical Power Engineer |
| Chief Engineer, Director | Lead Specialist-Operations Readiness | Senior Engineer |
| Chief Executive Officer, Ukrtransgaz | Leas asset integrity | Senior Engineer |
| Chief of Staff | Legal advisor | Senior Engineer |
| Chief Operating Officer | LNG Analytics Principle | Senior Engineer, Instrumentation and Controls |
| Chief Refinery inspector | LNG Finance Manager / Lead | Senior Engineering Manager |
| Chief Strategy Officer | LNG Marketing Manager | Senior Engineering Program Manager |
| Chief Technical Professional Leader | LNG Operations Training Specialist | Senior FP&A Manager |

| | | |
|---|---|---|
| Chief Technology Officer | LNG Project Engineer | Senior HSSE Mgr Operations |
| Chief Technology Officer (CTO) | Logistics Advisor Louisiana LNG | Senior Hydraulic Engineer |
| CIO | Logistics Center of Expertise (CoE) Manager | Senior IT Applications Specialist |
| Civil engineer / Structural and geotechnical engineer | Logistics Team Lead - Dow Mega Projects | Senior Legal Council |
| Civil Estimator | Louisiana LNG Commercial Interface Manager | Senior LNG Operations Manager |
| CO | Louisiana LNG Commercialisation Manager | Senior Manager |
| Co Founder & CEO | Maintenance Manager | Senior Manager - Asset Management & Construction |
| Co-Founder & VP Nuclear Engineering | Major Capital Project Manager | Senior Manager New Business Development |
| Cofounder and Chief Commercial Officer | Major Maintenance & Construction Manager | Senior Manager of Large Capital Project Engineering Managers |
| Co-founder and Tech Lead | Major Projects Organization Planner & Scheduler | Senior Manager, Business Development - Consulting Americas |
| Co-founder, CEO | Management | Senior Manager, Global Strategic Partnerships, Energy & Utilities |
| Commercial Account Manager - Custom Catalysts | Manager | Senior Manager, Insurance, Risk & Management |
| Commercial Advisor | manager | Senior Manager, Major Construction PM |
| Commercial Development Sr. Director | Manager - Low Carbon Development | Senior Manager, PMO |
| Commercial Director | Manager - Project Execution | Senior Manager, Process Engineering |

| | | |
|---|---|---|
| Commercial Operations Manager | Manager Core Programs – Anomaly Maintenance Program | Senior Manager, Project Controls |
| Commercial Team Lead | Manager II, Commissioning | Senior Manager, Strategic Sourcing, Power & Cooling Systems |
| Commission S/UOperation | Manager New Generation Construction | Senior Manager, Strategy Department |
| Commissioner, Gas Infrastructure, NEURC | Manager of Engineering | SENIOR MANAGER/HEAD OF LAGOS CENTRAL AREA OFFICE |
| Commissioning and start up operations | Manager of Engineering | Senior Marketing Specialist – DIS |
| Commissioning specialist shift supervisor | Manager of Engineering - Power Innovation | Senior Natural Gas Scheduler - West Desk |
| Commissioning Supervisor / Freeport LNG | Manager of Operations Applications | Senior Operations Lead |
| Commissioning/Completions Coordinator | Manager of Projects | Senior Pricing Coordinator |
| Communications Specialist | Manager of Supply Chain - Nuclear Power | Senior Principal engineering Manager |
| Compliance Coordinator | Manager Projects | Senior Principal Engineering Manager |
| Compliance Manager | Manager, Air Quality Compliance | Senior Process Chemistry Advisor |
| Construction Director | Manager, Contracts & Procurement - Aromatics | Senior Process Engineer |
| Construction Lead | Manager, Core Programs | Senior Procurement Category Manager |
| Construction Manager | Manager, Corporate Branding and Communications | Senior Procurement Manager |
| COstruction Manager | Manager, Diversity, Equity & Inclusion | Senior Procurement Manager |

| | | |
|--|---|--|
| Construction Project Manager | Manager, Engineering Project Management - Aromatics | Senior Procurement Manager – Critical Components |
| Construction Safety | Manager, Enterprise Risk Management | Senior Product Manager |
| Construction Safety Manager | Manager, Legal Business Operations | Senior Program Manager |
| Construction Specialist Lead | Manager, Mechanical Engineering | Senior Project Manager |
| Construction Subcontract Administration Supervisor | Manager, Project Controls | Senior Project Manager |
| Consulting Engineering Specialist | Manager, Project Engineering Interconnects & Growth | Senior Project Manager, Large Capital |
| Contract Agent | Manager, Project Execution | Senior Project Planner |
| Contractor Coordinator | Manager, Project Management | Senior Project Sourcing Manager - Procurement |
| Contracts Advisor | Manager, Public Affairs (U.S.) | Senior Quality Engineer |
| COO | Manager, Quality Welding Program | Senior R&D Engineering Specialist |
| Corporate Engineering Process Engineer | Managing Director | Senior Recruiter |
| Corporate Finance Associate | Managing Director, Energy Banking | Senior Reliability Engineer |
| Corporate Operations - Margin & Collateral Manager | MANAGING DIRECTOR | Senior Risk Engineer, Energy |
| Corporate Purchasing Agent | Managing Member | Senior Sales Engineer |
| Country Director | Managing Partner | Senior Sourcing Manager |
| Country Head – Singapore | Manager | Senior Sourcing Specialist |
| CPE Sr. Manager, Process Quality | Manufacturing & Engineering Director - Circulus | Senior Specialist, Center of Excellence |
| Crescent Bayou Project Manager | Marine Assurance Coordinator | Senior Static Equipment Engineer |

| | | |
|--|---|--|
| CRO | Market Intelligence Analyst | Senior Structural Engineer |
| CS Americas SHPP – Specialties | Market Leader - Oil and Gas | Senior Supplier Quality Specialist |
| CSO - President | Market Research Analyst | Senior TAR Manager |
| CSU Control Systems Engineer | Marketing Communications Project Manager | Senior Technical Leader |
| CTO | Marketing Coordinator | Senior TS&D Specialist |
| Data Architect | Marketing Manager | Senior Vice President Civil Infrastructure Development |
| Data Scientist | Master Plan - Commercial Real Estate | Senior Vice President Global Engineering Services |
| Data Scientist | Material Manager | Senior Vice President of Engineering |
| Decarbonization Commercial Director, Technology | Materials Manager | Senior Vice President Utilities |
| Decarbonization Manager | MD | Senior Vice President, Energy & Infrastructure |
| Decommissioning and Opportunity Manager - International Projects | Mechanical Engineer | Singer |
| Department Manager – Civil, Structural & Architectural | Mechanical Engineer | SIPA Planner/Coordinator |
| Deputy Director | Mechanical Engineer Advanced Power Generation | Site Manager |
| Deputy Director of CSU | Mechanical Planner | Site Planner |
| Deputy Gas Lead – Markets, SPARC | Mechanical Project Engineer | Site Security Supervisor |
| Deputy General Counsel | Mechanical Reliability Engineer | Site Selection Advisor |
| Deputy Head of Science and Technology Office | Mechanical Reliability Engineering | Software Project Manager |

| | | |
|--|--|--|
| Deputy Minister for Gas, Ministry of Energy | Mechanical Resident Engineer | Software Sales Executive |
| Development Consultant / Investor | Metallurgical Engineer | Solution Development Manager |
| Development Manager | Meters Field Technician | Sourcing & Contracts Management |
| Development Manager | Midstream Founder & Managing Director | Sourcing Manager |
| Digital Consulting- Client Partner | Midstream Strategy Manager | Special Counsel to Commissioner Gonzales |
| Digital Portfolio Manager: Manufacturing, Global Engineering, Capital Projects & Turnarounds | Multi Projects Group Director | Specialist Project Coordinator |
| Digital Program Manager | Murali Gopal 9:33 PM (0 minutes ago) to me Lead Planning and optimization engineer | Specialist Project Management |
| Digital Solutions and Reliability Manager | NA Manufacturing Integration Leader | Specialist, Database Compliance |
| Digital Transformation Lead | NA Operations Talent Director | Specialty/Process Engineer 1 |
| Director | Nat Acct Mgr | Sr Advanced technology manager |
| Director - Business Development | North America Asset Manager | Sr Category Manager |
| Director - Capital Projects Quality | North America Procurement Director | Sr Engineer, Civil Structural |
| Director - Category Management | North America Procurement Leader | Sr LNG Commercial Advisor |
| Director - Commercial Development | NPD PROGRAM MANAGER | Sr Manager |
| Director - Contract Management | NSS Industrial Services Director | Sr Manager of Project Controls |

| | | |
|---|--|---|
| Director - Engineering and Projects | Nuclear Power Supply Chain Operations Manager | Sr Process Safety Engineer |
| Director - EPC Projects | Nuclear Quality Assurance Manager | Sr Product Steward |
| Director - Industrial Accounts | OEM Sales Manager | Sr Project Engineer |
| Director - LNG Business Development | OFFSHORE DRILLING TECHNICIAN | Sr Project Engineer Manager |
| Director – Marketing and Commercial Development | Offsite Project Director | Sr Project Manager |
| Director – OFE Planning | Olefins & Aromatics Business Manufacturing Technology Director | Sr R&D Leader |
| Director - Pipeline Execution | Onshore HSE Manager | Sr Sale Manager |
| Director Asset Management | Operational Readiness Project Engineer | Sr. Account Manager |
| Director Business Development / Field Services | Operations Advisor | Sr. Acct. Manager Chemicals |
| Director Credit and New Markets | Operations Engineer | Sr. Business Development Manager, NA - NECF |
| Director Engineered Systems | Operations Lead Supervisor | Sr. Category Manager |
| Director Engineering | Operations Lead Supervisor (Commissioning & Startup) | Sr. Consultant, HR - Global Business Services, BASF |
| Director for External Affairs, Naftogaz Group | Operations Manager | Sr. Contract Advisor |
| Director Market Intelligence | Operations Manager Oil & Gas | Sr. Coordinator, Environmental |
| Director New Generation Construction | Operations Reliability Engineering | Sr. Director |
| Director of Business Development | Operations Specialist | Sr. Director - LNG Operations |
| Director of Contracts | Operations Superintendent/Director | SR. DIRECTOR OF GOVERNMENT AFFAIRS |

| | | |
|--|--|--|
| Director of Electrical Engineering | Owner | Sr. Director of Operations |
| Director of Energy Services | OWNER | Sr. Director, Chemicals & Fuels |
| Director of Engineering | Owner & VP | Sr. Director, Commercial Operations & Gas Supply - Gas Power Solutions |
| Director of expansion | Owner Operater | Sr. Director, Data Center |
| Director of Land | Owner's Representative / Senior Director | Sr. Director, Data Center Site Selection Lead |
| Director of Maintenance Operations | Package Engineer | Sr. Electrical Designer |
| Director of Marketing & Commercial Development | Partner | Sr. Engineering Manager Instrumentation, Controls and Electrical |
| Director of New Energy & Sustainability | PCM | Sr. Enterprise Information Manager |
| Director of Operations | Pipeline Engineer | Sr. Environmental Engineer - Regulatory Lead LNG Projects |
| Director of operations | Pipeline Integrity Engineer | Sr. Environmental Manager |
| Director of Operations | Pipeline Integrity Manager | Sr. EPC Project control |
| Director of Operations - Texas | Pipeline Project Engineer | Sr. Fellow – Electrical Engineering |
| Director of Origination | Pipeline Project Manager | Sr. I&C Specialist Engineer |
| Director of Power Plant Construction | Pipeline System Planning Engineer | Sr. LNG Process Engineer |
| Director of Preconstruction | Piping Design Supervisor | Sr. Manager |
| Director of Process Engineering | Piping Engineer | Sr. Manager – Energy & Substation Procurement, NA |

| | | |
|---|--|--|
| Director of Process Safety, North America | Piping engineer lead | Sr. Manager, Fuel Supply Planning, Commercial Origination and Operations |
| Director of Procurement | Piping Engineering | Sr. Manager, Sales & Channel Marketing |
| Director of Procurement | Piping Field Engineer | Sr. Manager, Sustainability and Decarbonization |
| Director of project controls | Planner/Execution Coordinator | Sr. Manager, Tax |
| Director of Project Development | Plant Maintenance Solution Manager | Sr. Mechanical Engineer |
| Director of Project Development | Plant Manager | Sr. Operations Manager - Continuous Improvement |
| Director of Project Management, Construction, and TAR | Plant Operator | Sr. Pipeline Integrity Engineer |
| Director of Projects | Plant Supply Chain Manager | Sr. Principal Procurement Lead, NA Turnaround OE |
| Director of Regulatory Affairs | PLC Technologies Practice Lead | Sr. Process Engineer |
| Director of Regulatory Assurance | PM | Sr. Proj Mgr – Project Controls, Eng. & Construction |
| Director of Sales , Americas | Portfolio Director- Upstream / Midstream- Americas | Sr. Project Development Engineer |
| Director of Strategic Business | Ports Director | Sr. Project Development Manager |
| Director of Strategic Development | Postdoctoral Research Associate | Sr. Project Development Specialist |
| Director of Supply Chain | Power engineer | Sr. Project Director |
| Director of Supply Chain - Completions | Power Generation Solutions Senior Director, NA | Sr. Project Engineer/PM |
| Director of Supply Chain, Global Logistics | Power Solutions & Resources | Sr. Project Manager |
| Director of Technical Services | Preconstruction Manager | SR. PROJECT MANAGER |

| | | |

| Director Project Controls | President | Sr. Project Manager, Installation |
| Director Project Execution | President - Americas | Sr. Quality Advisor – Quality Management Division |
| Director Project Management | President & CEO | Sr. Representative - LNG Asset Management & Development |
| Director Project Management Pipeline | President & Co-Founder | Sr. Specialist, Direct Procurement |
| Director Projects | President / Owner | Sr. Strategic Procurement Advisor |
| Director Reliability and Integrity | President Project Management | Sr. Tech Service Engineer |
| Director Reliability Solutions | President/CEO | Sr. Technical Trainer |
| Director Technical | Principal | Sr. Technology manager |
| DIRECTOR, CHANGE MANAGEMENT | Principal | Sr. VP Operations |
| Director, Commercial Operations - Gas Power Solutions | Principal / Process Manager | Sr./Lead Structural Engineer |
| Director, Contracts & Procurement - Major Capital Projects | Principal analyst | SSH&E Manager |
| Director, Data Analytics & AI, Digital Enablement | Principal Contracts Advisor | Staff Engineers |
| Director, Environmental Engineering | Principal Counsel | Staff Process Engineer |
| Director, F&A | Principal Developer SME In Solar Energy | Start up / Commissioning |
| Director, Green Carbon SAF Project | Principal Electrical Engineer | Start-up Manager |
| Director, H2E Solutions and Projects - Air Liquide Hydrogen Energy and Mobility | Principal Engineer | Strategic Account Manager |

| | | |
|---|---|--|
| Director, Health & Safety | Principal Estimator | Strategic Sourcing Specialist |
| Director, Material Management | Principal Instrumentation & Controls Engineer | Strategy & Investments Supervisor |
| Director, National Accounts | Principal Mechanical Engineer | Strategy Manager |
| Director, Nuclear Construction | Principal Mechanical Engineer – Static | Subcontracts Manager |
| Director, Operations - Plaquemines | Principal of Business Development Strategy | Subcontracts Relations Manager |
| Director, Origination | Principal partner | Superintendent |
| Director, Project Excellence and Implementation | Principal Pipeline Engineer | Supplier Quality |
| Director, Projects | Principal Process Engineer | Supply Chain Compliance, Policy, Continuous Improvement, Analyst |
| Director, Regulatory | Principal Process Engineer | Supply Chain Contracts & Risk Program Manager |
| Director, Regulatory & Compliance | Principal Process Safety Engineer | Supply Chain Manager |
| Director, Regulatory and Environmental Affairs | Principal Production Engineer | Supply Chain Network Optimization |
| Director, Sales, Marketing, Business Development, Mass Market, Strategy | Principal Project Engineer | Supply Chain Operations Manager |
| Director, Strategic Advisory - Electrification & Integrated Power Systems | Principal Project Manager - Construction | Supply Chain Specialist |
| Director, Structural Engineer | Principal Rotating Equipment Engineer | Supply Chain Specialist |
| Director, Structural Engineering | Principal Safety Engineer | Supply Quality Surveillance |
| Director, Supply Chain & General Services | Principal Safety Engineer | Supt. Project Development - Port Arthur Refinery |

| | | |
|---|---|---|
| Director, Tech Assessment - Gas Power Solutions | Principal Sourcing Specialist | SURF Manager |
| Director, Technical Services - Sustainable Technology | Principal Strategic Sourcing Advisor | Surface Operations Automation Solutions Deployment Lead |
| Director, National Accounts | Principal, Sourcing and Contracts | Sustainability Lead |
| Discipline Lead | Principle Specialist-Material | Sustainability Manager |
| Discipline Manager, CCUS and Hydrogen | Process Automation Manager | Sustainability Process Engineer |
| District Manager | Process Automation Manager and MES Project Lead | Sustainability Specialist |
| DOE Fellow | Process Control Specialist | Sustainability Transformation Manager |
| E&C Project Manager Sr | Process Engineer | SVP |
| E&I Department Manager | Process engineer | SVP - Americas |
| ECA LNG EPC and Mexico Financial Controller | Process Engineer - Ammonia SME | SVP - E&C |
| EGS-Electrical | Process Engineer Manager | SVP - Freeport Site |
| EHS Advisor | Process Engineering Director | SVP Enterprise BM - BISO research compliance regulatory adjunct |
| Electrical Engineer | Process Engineering Manager | SVP Operations |
| Electrical engineer | Process Engineering Manager: H2 Generation and AGR, CO2 VSA (Decarbonization) | SVP, Business Development and Innovation |
| Electrical Lead Engineer | Process operator | SVP, US, Global Operations |
| Electrical Project Engineer | Process safety and Risk Engineer | System Planning EIT |
| Electrical Specialist | Process Safety and Risk Engineer | Systems Engineer |
| Electrical Specialist | Process Safety Engineer | TA Methods and Implementation Project Manager |

| | | |
