NA 2026

16-17 June 2026
George Brown Convention Centre, Houston

WHAT IS IT?

A 10-week referral competition (March 30 – June 12, 2026) where EPC Show exhibitors and sponsors compete to invite the most owner/operators and EPC clients to the show. Every exhibitor gets a unique tracked referral link. Referred guests attend for free. Exhibitors who hit key referral milestones unlock premium rewards, and all qualified exhibitors are entered into the main prize draw.

WHAT DO YOUR GUESTS RECEIVE?

All owner/operator/EPC guests who register via your unique tracked link will receive a complimentary pass to EPC 2026. This pass gives free access to both days of the event, all conference content and sessions, all networking activities, and on-site refreshments.

HOW IT WORKS

Each exhibitor receives a unique referral link and promo code.

Share the link with clients – project owners, operators, EPCs.

Every registration is tracked and attributed on a live leaderboard.

Qualified exhibitors are entered into the main prize draw, final standings will be locked in on June 11, with the winner announced on June 12.
