Analyst, Compliance & Sustainability	ConocoPhillips
Area Director of Construction, Commissioning and Start Up Calcasieu Pass 2 (CP2)	Venture Global LNG
Asset Information Manager	Cameron LNG
Associate Construction Specialist	McDermott International
Associate Director - CO2-Capture and Clean Technologies	Linde
Associate Director Instrumentation & Analytical	Linde
Associate Process Engineer	McDermott International
Associate Procurement Manager Capital Projects	LyondellBasell
Associate Project Controls Specialist	Burns & McDonnell
Assurance Manager	Sempra Infrastructure
Board Member	Green Hydrogen International
BSQE GBU Manager	Bechtel Corporation
Business Development Associate	Bechtel Corporation
Business Development Engineering Manager	EnLink Midstream
Business Development Manager	Bechtel Corporation
Business Development Manager	Bechtel Corporation
Business Development Manager, New Energy	Woodside Energy
Business Intelligence Advisor	Sempra Infrastructure
Business Interface Manager	Sempra Infrastructure
Business Line Specialist	Kiewit
Business Operations Specialist	Flint Hills Resources
Business Process Efficiency Manager	LyondellBasell
Buyer, Terminal & Operations	New Fortress Energy
Capital / Turnaround Scheduler	Apache Industrial Services
Capital Project Engineer	Cameron LNG
Capital Projects Manager	ExxonMobil
Capital Projects Procurement Specialist	Chevron Phillips Chemical Company

Category Buyer- Engineering Services	BASF Corporation
Category Lead	Cameron LNG
Category Management and Contracts Manager	Cameron LNG
Category Manager	TPC Group
CCL4 Interface Manager	Cheniere Energy
Central Projects Director	Phillips 66
CEO	EE North America
CEO	First Ammonia
CEO	KeyState Energy
CEO	McDermott International
CEO	Montana Renewables LLC
CEO	Newpoint Trillium Management
CEO	SkyNRG
CEO	Strategic Biofuels
CEO	Syzygy Plasmonics
CEO - Americas	ACME Group
CEO and Co-founder	Copernic Catalysts
CEO and President	Chart Industries
Chairman, President & CEO	Baker Hughes
Chairperson & CEO	NXTClean Fuels, Inc.

Chief Technical Officer	DG Fuels
Chief, Process Safety Management	Sempra Infrastructure
CIVIL ENGINEER	GHANA NATIONAL GAS LIMITED COMPANY
Commercial Director	Kiewit
Commercial Excellence Manager	Freeport LNG
Commercial Procurement Manager/Trader at BASF Intertrade (LPG and Methanol)	BASF Corporation
Commercial Project Development Manager	LanzaJet
Commissioning & Start Up Completions Coordinator	bp
Commissioning and Start-up Sponsor	Kiewit
Commissioning Manager	Kiewit
Commissioning, Start-up, and Demolition Leader	Dow Chemical
Completions Advisor	Venture Global LNG
Construction Coordinator - Pluto LNG Train 2	Bechtel Corporation
Construction Director	Air Products
Construction Director	Energy Transfer

Construction Director	Technip Energies
Construction Engineer	Fluor Corporation
Construction Global Improvement Leader	Dow Chemical
Construction Lead	Invista
Construction Lead	Phillips 66
Construction Manager	Audubon Companies
Construction Manager	bp
Construction Manager	Energy Transfer
Construction Manager	Targa Resources
Construction Manager Large Projects	Dow Chemical
Construction Manager, Americas	Technip Energies
Construction Project Manager	bp
Construction Project Manager	McDermott International
Construction Science	Texas A&M
Contract Specialist II	Worley
Contracts Manager	Sempra Infrastructure
Contracts Manager	Sempra Infrastructure
Contracts Manager	Sempra Infrastructure
Control Systems Engineer	Chevron Phillips Chemical Company
Controller	Mexico Pacific
Controlling Manager	Yara International
COO & EVP	Howard Energy Partners
Corporate Business Development, New Business Origination Director	Chevron
Corporate Expediting Manager	Bechtel Corporation
Corporate Supplier Relationship Manager	Bechtel Corporation
Corporate Sustainability Management, Specialist	Turkish Airlines
Corporate Turnaround Technical Manager	Chevron Phillips Chemical Company
Credit Analyst	Energy Transfer
CSA Estimator / Field Engineer II	Kiewit
CSA manager	Venture Global LNG
CSU Lead	McDermott International
CSU Manager	Kiewit
CSU Mechanical Specialist   Port Arthur LNG	Bechtel Corporation
Delivery Manager	Fortescue Future Industries
Department Manager - IFC	Kiewit
Department Manager - IFC	Kiewit
Department Manager Construction	Burns & McDonnell
Deputy Director of Commissioning	Kiewit
Deputy Head of Legal	Bechtel Corporation
Deputy Project Director	Worley
Design for Reliability & Maintainability (DFRAM) Improvement Leader	Dow Chemical
Design Manager, Technical Site Services, GEC/OF, Freeport	BASF Corporation
Development Director	Kinder Morgan
Digital Manufacturing Lead - Digital transformation	Nova Chemicals

Director	Air Liquide
Director - Alternative Energy	Energy Transfer
Director - Engineering and Controls	Arm Energy
Director - Enterprise Data Governance	LyondellBasell
Director - EPC Front End Services	Excel
Director - Land	DT Midstream
Director - Midstream Policy	American Petroleum Institute
Director - Pipeline Execution	Linde
Director - Project Development	StormFisher Hydrogen
Director - Risk Management	Harvest Midstream
Director - The Sustainable Skies Labs	Delta Airlines

Director Hydrogen Project Development and Execution - North America	EDP Renewables North America
Director Low Carbon Hydrogen	Air Products
Director New Energies & Sustainability	Motiva Enterprises
Director of Administration	Commonwealth LNG
Director of Biofuel Technology	KBR
Director of Commissioning	Kiewit
Director of Engineering	ENGIE North America
Director of Engineering & Construction	LS Power
Director of LNG Operations	Sempra Infrastructure
Director of Maintenance	Freeport LNG
Director of Manufacturing Operations	Dow Chemical
Director of New Energies US	Air Liquide
Director of Operations	Sempra Infrastructure
Director of Procurement & Supply Chain	bp
Director of project controls	Apache Industrial Services
Director of Project Development	Mitsubishi Power
Director of Projects	Williams
Director of Supply Chain	Cameron LNG
Director of Supply Chain, Global Logistics	New Fortress Energy
Director Ops Engineering	Sempra Infrastructure
Director Project Development & Engineering	Wood
Director Project Development & Engineering Management	BASF Corporation
Director Reliability and Integrity	Venture Global LNG
Director Rotating Equipment	Commonwealth LNG
Director SCM	McDermott International
Director Supply Chain Center of Excellence	Cheniere Energy
Director Supply Chain Management	McDermott International
Director, Capital Projects	TPCGroup LLC
Director, Cybersecurity	NextDecade
Director, Electrical Engineering and Renewable Power	Phillips 66
Director, Engineering	Jet Infrastructure
Director, Environmental and Regulatory Affairs	NextDecade

Director, H2E Solutions and Projects - Air Liquide Hydrogen Energy and Mobility	Air Liquide
Director, Health, Safety & Environment	Delfin LNG
Director, Market Fundamentals - Global LNG	Cheniere Energy
Director, Performance and Commercial Operations	New Fortress Energy
Director, Pilots & Projects – Energy Solutions	TC Energy
Director, Process Technology	Hargrove Engineers & Constructors
Director, Project Development & Engineering	Cheniere Energy
Director, Project Execution	Cheniere Energy
Director, Project Management Engineering	Cheniere Energy
Director, Projects – USA Operations	Kent PLC
Director, Southwest Region, Office of Pipeline Safety	PHMSA
Director, Supply Chain	NextDecade
Director, Supply Chain Commercial	Cheniere Energy
Director, Turbomachinery	Woodside Energy
Document Control Team Lead	Sempra Infrastructure
Document Controller	Golden Pass LNG
E&C Project Management	Sempra Infrastructure
Early Careers Manager	Williams
ECA LNG Mexico Financial Controller	Technip Energies
Electrical Commissioning Specialist	Golden Pass LNG
Electrical Completions Lead	Venture Global LNG
Electrical Engineer	Burns & McDonnell
Electrical Engineer	LyondellBasell
Electrical Project Engineer	Kiewit
Electrolyser Product and Solutions Development Lead	Air Liquide
Energy Manager - Net Zero Hydrogen	Air Products
Energy Transition Manager	Solvay
Engineer	Enbridge
Engineer	Energy Transfer
Engineer	Eni
Engineer II	Williams
Engineer II, Project Development – FEED	Williams
Engineer III	Targa Resources
Engineer III, Project Development – Tactical FEED & Execution	Williams
Engineering & Consultancy Services Manager	Petrofac
Engineering and Projects Manager	Golden Pass LNG
Engineering Leader	Dow Chemical
Engineering Manager	Air Products
Engineering Manager	Campos EPC
Engineering Manager	Cheniere Energy
Engineering Manager	Cheniere Energy
Engineering Manager	Fluor Corporation
Engineering Manager	Fluor Corporation
Engineering Manager	Freeport LNG

Engineering Manager	Sempra Infrastructure
Engineering Manager	Venture Global LNG
Engineering Manager, OSBL	Commonwealth LNG
Engineering Study Manager	Kiewit
Engineering Superintendent, Projects	Cheniere Energy
Engineering Supervisor - Underground Storage	ONEOK
Enterprise Risk Manager	Sempra Infrastructure
Environmental & Regulatory Compliance Advisor	ExxonMobil
Environmental Engineer	Kiewit
Environmental Engineer	Kiewit
Environmental Engineer	Kiewit
Environmental Engineer I	Kiewit

Global Construction Director	Dow Chemical

Global Development Projects	Neste
Global Head - Projects & Facilities Engineering	Hess Corporation
Global Head of Development Projects	Neste
Global Manager of Business Development for Downstream & Chemicals	Bechtel Corporation
Global Manager of Operations - Energy Transition	Bechtel Corporation
Global Mechanical Engineering Director	LyondellBasell
Global Program Manager of OneGP & Standardized Delivery Model	LyondellBasell
Global Projects Execution Leader	LyondellBasell
GM - New Energies, Chemicals and Fuels	Bechtel Corporation
Group President – Americas	Worley
Group President, Energy Solutions	Fluor Corporation
GSC, Bakken Sr Manager	Hess Corporation
Head of Carbon	Wood
Head of Marine & Shipping	Sempra Infrastructure
Head of Marine Operations	Sempra Infrastructure
Head of Power Supply	Monarch Energy
Head of Project Development	First Ammonia
Head of Sustainable Aviation Procurement, Americas	Cathay Pacific
Health Safety Security & Environmental Advisor	Ghana National Gas Company
Heat Transfer Consultant	Woodfibre LNG
Houston Hub Engineering & Construction Leader	Dow Chemical
HR Manager PALNG	Sempra Infrastructure
HRO Turnaround / Outage Leader	LyondellBasell
HSSE Director	Cameron LNG
HSSE Manager	Sempra Infrastructure
Hydrogen Business Development Director	RWE
Hydrogen Projects Fellow	Stanford University
IE Maintenance Staff Engineer	BASF Corporation
ILI Project Manager	Kinder Morgan
Industrial Automation Security & OT Systems Manager	BASF Corporation
Instrument Supervisor	Hunt LNG Operating Company
Integration Manager	LyondellBasell
IT / OT Project Manager	New Fortress Energy
IT Operations	Golden Pass LNG
Key Account Manager Engineering/EPC Partnerships Region North America	BASF Corporation
Kiewit	Process Engineer
Large Project Construction Manager	Dow Chemical
Lead- Asset Integrity	Venture Global LNG
Lead Construction Coordinator	LyondellBasell
Lead Control Systems Engineer	Mexico Pacific
Lead Document Controller	Mexico Pacific
Lead Engineer - Special Projects	Energy Transfer
Lead Power Systems Engineer	Air Products
Lead Process Engineer	Air Products

Lead Process Engineer	Kiewit
Lead Structural Engineer / Project manager	Kiewit
Leader - Project Development	SABIC
LEF Business Development Advisor	ExxonMobil
LNG Consultant	Freeport LNG
LNG Project Engineer	Worley
LNG Senior Operations Manager	Sempra Infrastructure
LNG Sr Engineer - Regulatory	Sempra Infrastructure
LNG Sr Engineer • Permitting	Sempra Infrastructure
LNG Training Specialist - O&M	Bechtel Corporation
Logistics Team Lead - Dow Mega Projects	Dow Chemical
Louisiana LNG	Woodside Energy
Low Carbon Fuels Program Manager - Project Delivery	JERA Americas
Low Emission Fuels Business Development Advisor	ExxonMobil
Lower Emissions Fuels Business Development Manager	ExxonMobil
M&E Business Process Leader	Dow Chemical
M&E Project Manager	Dow Chemical
Maintenance & Reliability Manager	BASF Corporation
Maintenance and Reliability Manager - Central	LyondellBasell
