DECLARATION

- I confirm I understand my stand type is a bespoke stand, which will be designed and built by my own appointed contractor.
- Our company has its own health & safety policy, which all employees are aware of.
- I have ensured that our appointed contractor(s) will supply a sufficient method statement and risk assessment - and they have satisfied me of their competence to undertake the tasks required of them.
- Our appointed contractor(s) and their staff have been made aware of everything that will be on our stand and have been trained on preventative measures to prevent any hazards from occurring.
