NETWORK

**12-15 JANUARY 2023**

**TRADE & PUBLIC**

Autosport International connects motorsport brands, experts and professionals to network, trade, discuss, explore and market their unique showpieces – all under one roof at Birmingham's NEC.

90,000 industry professionals and motorsport enthusiasts attend the show every year to see an unmissable combination of cars, stars and live action. From karting to Formula 1, this event brings together all things motorsport in one location across two trade-only days (Thurs/Fri) and two public days (Sat/Sun).
