[#PowerOfOne](#)

# Meet sustainable suppliers at Spring Fair

This year's show will be host to a Sustainability Trail, making it easier than ever before for you to connect with sustainable suppliers. We want to highlight the brands that are striving to do their part to ensure a more sustainable and ethical future.

Following on from our **#PowerOfOne** campaign launched at Spring Fair 2019, we are continuing to highlight the impact each of us have on the environment and focus on what more we can be doing to create a more sustainable future for all.

Our exhibitors have pledged what they're doing to be more sustainable. Use this guide to find out who has taken part, and where to find them at Spring Fair 2020.

[Click here](#) to visit the website and view the full list of exhibitors taking part and their stories. Learn more about the role sustainability plays in their company, their pledges and initiatives.

Each exhibitor that is part of the Sustainability Trail will be marked with our **leaf icon**, helping you to find sustainable brands and suppliers quickly and easily.

## Other icons you will find on the website include:

### Environment Icon:

Act in the interests of protecting the natural world.

### Ethical Icon:

Demonstrate respect for its employees and uphold a system of moral principles.

### Material Icon:

Use sustainable and biodegradable materials as much as possible.

### Packaging Icon:

Use reusable, recyclable or compostable packaging which results in improved sustainability.
