### INSTORE CUSTOMER EXPERIENCES

*‘Independent and artisan retailers will fill the gap by offering a more personalised experience...’*

**61%**

Of UK consumers are concerned that their High Street will disappear over the next 10 years.

Only  
**22.3%**  
of retail sales are purchased online.

### 2019 FACTS, FIGURES & QUOTES

It’s predicted that within 10 years **50%** of retail sales will be online.

The expectation is that UK GDP will continue to grow at 1.4%.

Online **SECURE PAYMENT** and **PROCESSING** is of a concern to customers

*‘If you’re going to have a lease, pay rent and business rates, there has to be a reason to have that physical presence and that is all about people...!’*
