

The Holiday Collection

ORNAMENTS CRAFTED BY REFUGEES

UNHCR, the UN Refugee Agency, is proud to present a charming collection of decorations, crafted by refugees from around the world, that celebrates hope and solidarity this holiday season.

The MADE51 Holiday Collection offers a way for consumers to give a gift that warms a home and brightens the future of refugee artisans. Each ornament tells a story about the cultural heritage of its makers. These beautiful objects serve as symbols of empowerment and resilience.

The 2020 Holiday Collection features ornaments from 16 countries. Destined for the gifting market, each ornament is packaged in recyclable kraft paper gift box with storytelling about UNHCR, refugee artisans and the meaning of the ornament design.

Join us in offering these unique, heartwarming pieces to consumers around the world.
