New for Christmas 2020

The last few of months have seen our world turned upside down in ways we didn't think possible. However, one thing that isn't going to change is Christmas is coming! In fact we think this season will take on a whole new meaning to many people after such a tumultuous year.

With Harrogate Home & Gift, Autumn Fair and Top Drawer A/W 2020 cancelled we wanted to send you a brochure with all our fantastic new products this year. From Sloths to Avocadoes, Seagulls to Pandas there really is something for everyone.

Most importantly all our products are still fairtrade and 100% handmade by our extended family in Nepal.

We hope you love the new members of our Amica range as much as we do and look forward to catching up over the next few weeks.

In the meantime if you need anything from us please don't hesitate to call.

All the best,

The team at Amica
