New Products 2021

FRIDA KAHLO DE RIVERA (1907-1954) was a Mexican artist who painted many portraits, self-portraits, and works inspired by the nature and artefacts of Mexico. She employed a naïve folk-art style to explore questions of identity, post-colonialism, gender, class, and race in Mexican society.

In collaboration with the Frida Kahlo Corporation, we have created a new poppy design features deep red colour with traditional Mexican folk art style on a dark backdrop, which makes a perfect gift for any poppy lovers.

FRIDA KAHLO DE RIVERA (1907-1954) was a Mexican artist who painted many portraits, self-portraits, and works inspired by the nature and artefacts of Mexico. She employed a naïve folk-art style to explore questions of identity, post-colonialism, gender, class, and race in Mexican society. Frida is celebrated in around the world for her depiction of the female experience and form as well as her love of nature.

In collaboration with the Frida Kahlo Corporation, we have created a new range of Frida Kahlo carnation design in red colour in a blue backdrop. Mexican style carnation flower symbolizes pure love, beauty, distinction and fascination.
