# Choose a better way to work
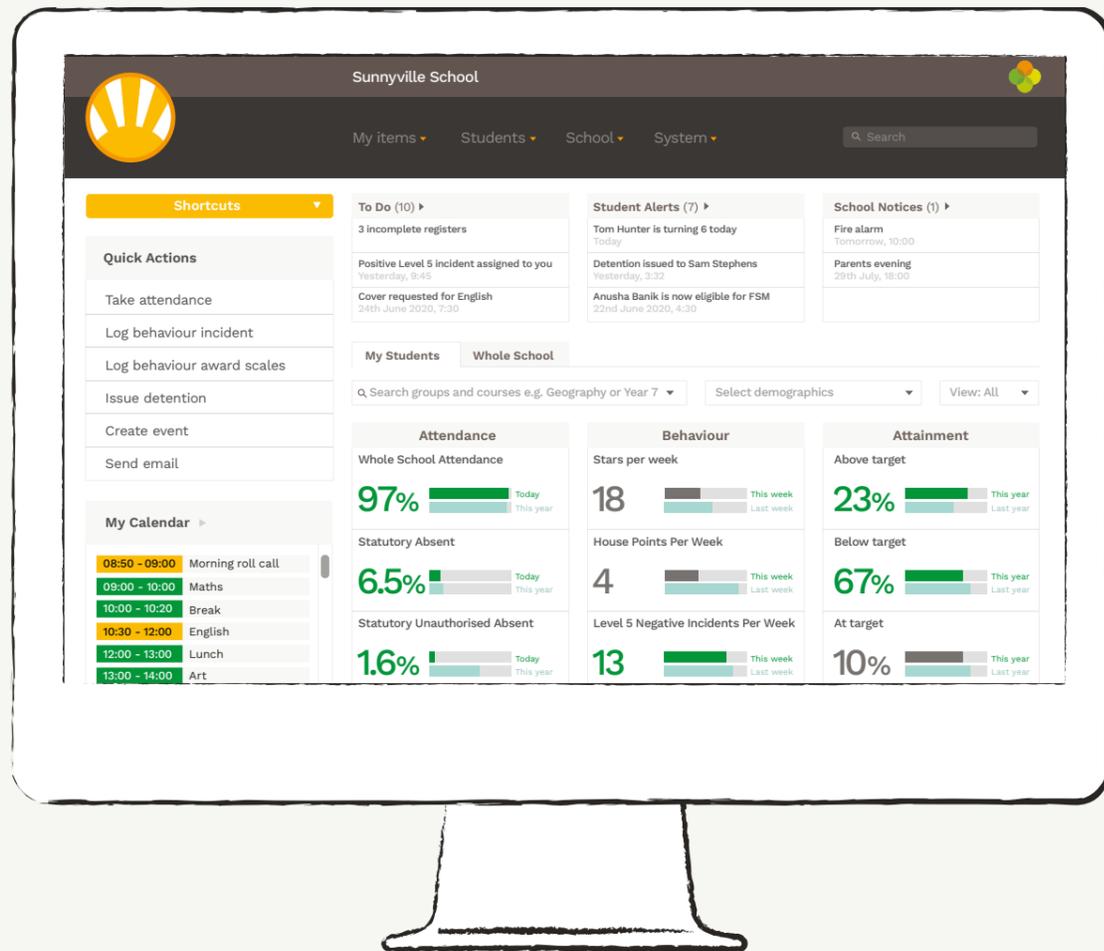

Arbor MIS for Multi-Academy Trusts

1 in 3

Schools who switch MIS choose Arbor

Arbor

With Arbor, schools and trusts work better

Arbor MIS helps schools and trusts of all sizes work more easily and collaboratively, with intuitive tools designed to make a difference.

With over 1,300 schools and 100 MATs, we're the UK's fastest-growing MIS.

"Our Trust needs a user friendly, one stop shop MIS that also provides analytics. Arbor stands out from the crowd. We love the look, feel and flexibility of Arbor. All of our "can we" questions have received a resounding yes. Support and communication has been excellent. We are so pleased to be their 1,000th customer!"

Sue Ashton
COO at Woodland Academy Trust

Designed to make a difference

Our Group MIS for Multi-Academy Trusts is designed to make a measurable improvement to the way you work. Thanks to our tailored approach to change management, over 100 trusts of all sizes and phases have made a successful switch to Arbor. Here's the impact that Arbor is having for schools and MATs every day...

92%
save time with Arbor compared to their previous MIS

See the big picture across your MAT

More than just a dashboard, Arbor MIS for MATs is custom-built for better collaboration across your trust, with tools that make working together easier at every level.

Track performance across schools, implement policies centrally and communicate with staff at all levels, giving everyone the tools they need to do their best work.
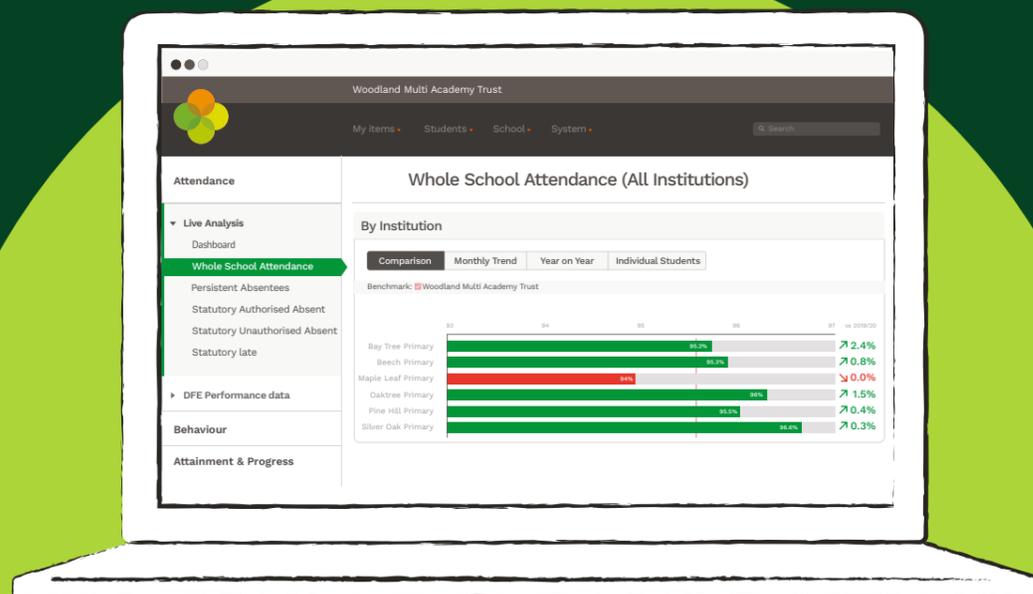

✅ See what's going on across all your schools

✅ Push down policies and take action centrally

✅ Perfect for both single phase and mixed phase MATs

✅ All of your schools benefit from the UK's leading MIS

Central overview consolidates workflows and creates collaboration
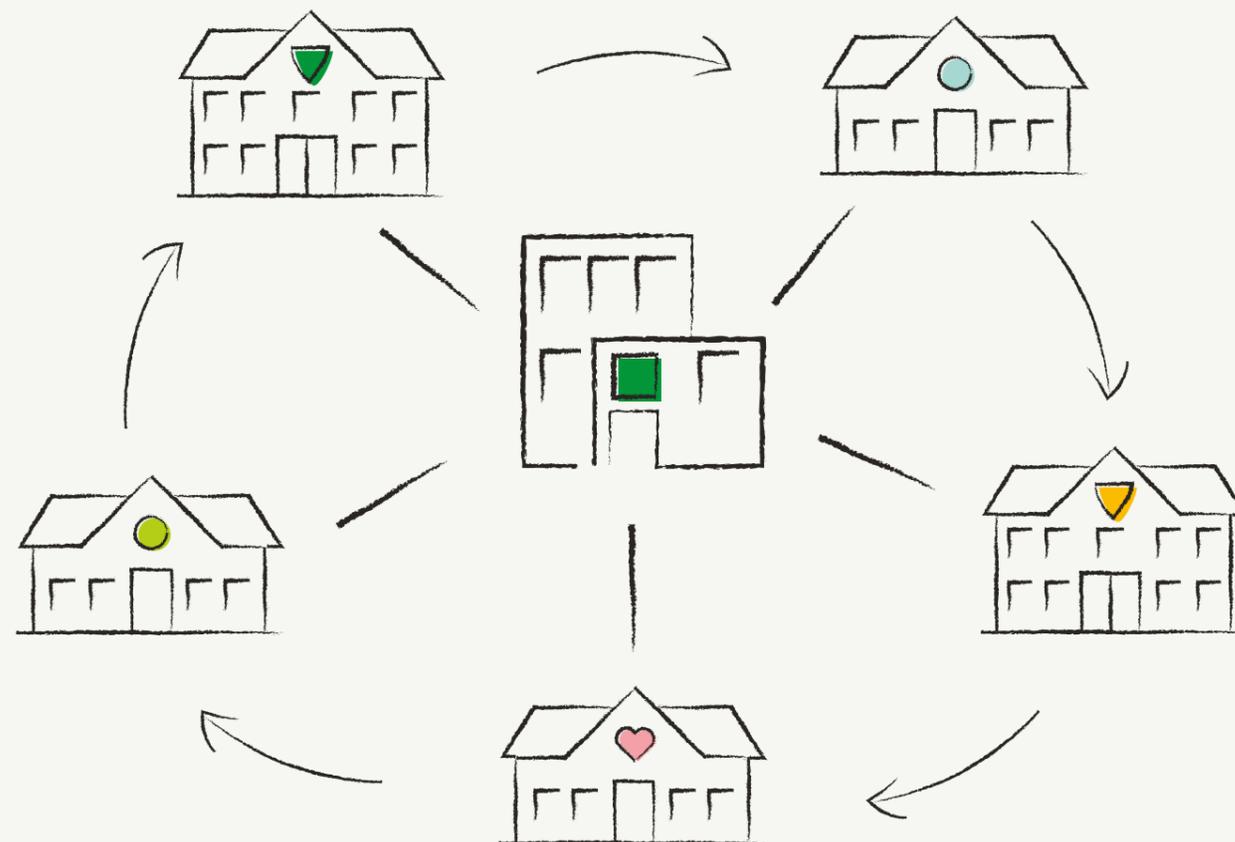

"Arbor's simple interface is easy to use, and we love the MAT reporting tool – the ability to see MAT data in one place without having to contact all schools individually has saved us so much time!"

Lisa Sarikaya
Deputy CEO and COO at
St Bart's Multi-Academy Trust

Collaborate and bring everyone together

Arbor's fast, intuitive tools reduce the admin burden for your Central Team, and give them the tools they need to work effectively with all your schools right from your HQ.

Sophisticated central reporting

Compare data across schools using out-of-the-box MAT dashboards, build in-depth custom reports and link to data analytics tools.
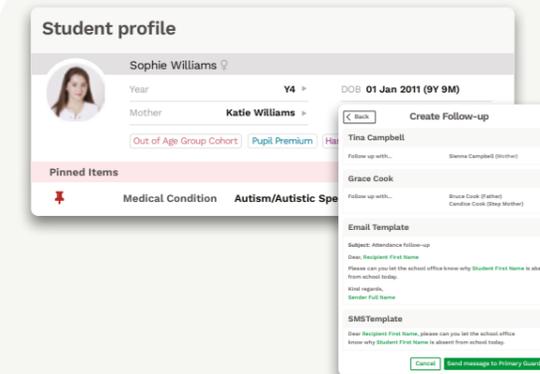

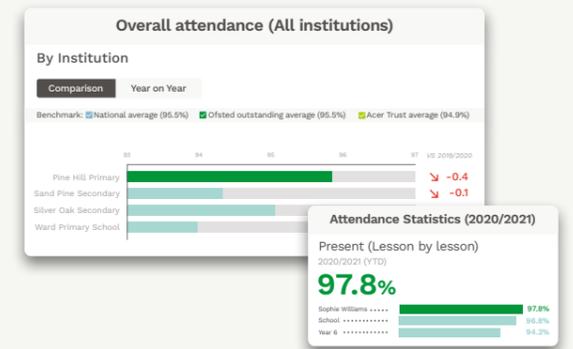

Take action centrally

Manage key tasks like attendance follow-ups and census from your MAT HQ. Communicate with all your schools from one system.

Work easily on the cloud

Keep your schools running and your staff connected wherever you need to work - with simple, secure logins and user setup on Google and Microsoft.
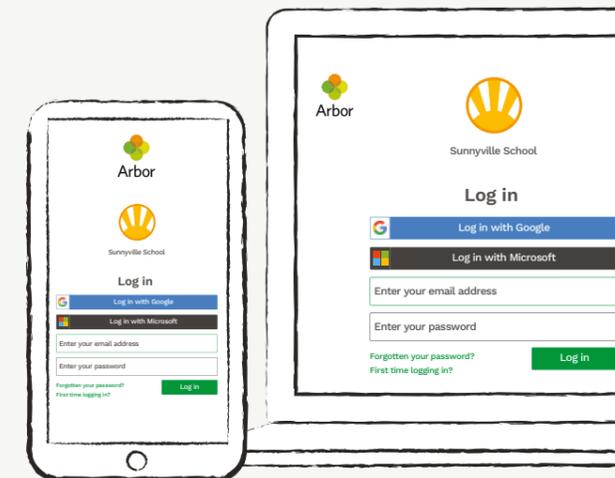

Join up your back office

We're the only MIS to integrate with a best-in-breed HR system, giving you the data you need to complete your essential staffing tasks in half the time.

The data you need to make the best decisions

"We wouldn't have known what to do without Arbor this week, it's been an absolute godsend being able to access school info from the Group and all the other inbuilt reports we can access, as well as accessing remotely!"

Vicky Harrison,
COO at Hoyland Common Academy Trust

Arbor's out-of-the box analysis and flexible, custom reporting give you actionable data to make a measurable difference across your trust.

Get a holistic overview of your MAT across attendance, behaviour, assessments and staffing – and a shared view of progress and purpose for your schools.

**Flexible, painless reporting**
Build custom reports in minutes and share them automatically with stakeholders.

See what's going on across your schools
Drill down from trust level all the way to individual students.

Benchmarking included
Arbor is the only MIS to integrate performance and finance data from the DfE with your schools' live, in-year data.

Built-in, live analytics
meaning no complex configuration.

Powerful integrations
Built-in Live Feeds allow you to explore your data in new ways with tools like Microsoft Power BI, Excel, Google Data Studio and Google Sheets.

Understand the detail that's making a difference!

Grade Distribution for P8: Maths (General) GCSE (Level 1/2) in % (Spring)

School			
Arbor Secondary School	76.6	76.6	7.0
Oak Secondary School	89.5	6.9	3.6
Willow Secondary School	59.9	28.1	12.0
Maple Secondary School	69.0	14.5	10.2	6.3
Birch Secondary School	12.0	46.4	39.3	2.3

Ready for tomorrow

With over 1,300 schools and 100 trusts, Arbor works with more MATs than any other cloud MIS provider.

Discover and share best practice with trusts like yours through the Digital Community, Feedback Forums and ArborFest – the twice-yearly festival dedicated to our schools and trusts.
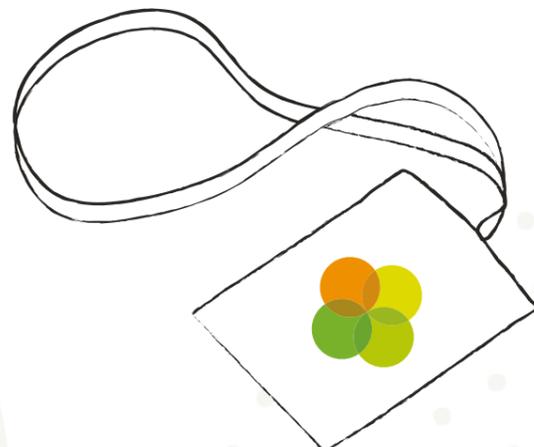

"United Learning are excited to realise the benefits that a modern cloud-based MIS such as Arbor will bring to our schools – resilience, mobility, security and the reduced costs of a single, highly capable tool."
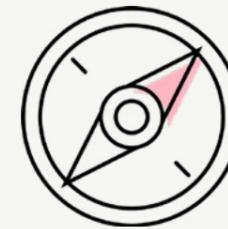

Dominic Norrish
COO at United Learning

We're ready to act in your corner, whatever the future holds

Arbor has the largest team of researchers and developers in the MIS market, making sure we're responsive to the needs of the DfE, Ofsted and Local Authorities. We're looking ahead and ready to act fast, if (and when!) things change.
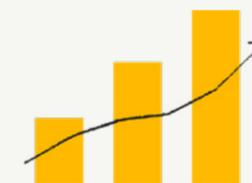

See our roadmap

We plan our product roadmap hand-in-hand with schools and ship smart updates every day.

A network of support

When you join Arbor, you join a community of education professionals and experts learning from each other, sharing good practice and celebrating success.

In it for the long term

We'll take the time to truly understand your MAT and your goals – then help you meet them, year after year.

Arbor's Group MIS for MATs

School MIS features

Great for secondary schools

Great for primary schools

Great for special schools

Group-level dashboards

Combine MIS, in-year progress and national data in one system

User permissioning

Customise levels of user access to keep information secure

Custom reporting and BI

Build custom Group, school, student or staff reports, and connect to external tools like PowerBI

Email updates

Schedule reports to send automatically to school stakeholders

Define workflows centrally

Centrally build escalations to ensure consistency in each school

Give your schools autonomy

Your schools can personalise fields and define their own practices without reducing the MAT central reporting capability

Workflow automation

Trigger email and text notifications to staff and guardians to create automatic workflows

Switch all your schools to Arbor

With all your schools using our market-leading MIS, you'll get the single overview of your schools that you need

---
