

OpusSolo

A SIMPLE AUDIO-VISUAL
SOLUTION FOR SCHOOLS...

Helping to deliver excellence

OpusSolo is a fixed size audio-visual solution designed to meet the needs of small school halls, drama studios and event spaces. Providing sound, lighting and video projection in one simple to use system.

The main benefits

- Simple and easy to understand – most users can operate the system after a brief induction
- Video projection and sound features are ready to use
- Colour changing lights at the touch of a button
- Secure and lockable – meets security and safeguarding needs
- Telephone support gives increased user confidence
- Full annual maintenance and servicing package offers peace of mind for compliance issues
- Energy efficient

Other important factors for the construction industry

Opus has very low impact on building programmes – a complete video, sound and lighting solution that requires a relatively small amount of time on site to install. Its modular nature means it is easy to replicate across multiple sites and easy to support. It also has a reduced requirement for HVAC and is not as hungry for mains power compared to traditional solutions.

The key features

- Small sound mixer with 3 band tone control
Supplied with up to two radio microphones, two wired microphones and two powered speakers with combined CD/DVD player. Additional Aux & Bluetooth inputs.
- Simple lighting
Supplied with four ceiling-mounted LED colour changing lights.
- Single button video switcher
- Laptop Connections via HDMI & VGA
- Optional Apple TV streaming
- Optional projector and screen
- Additional audio output
- All housed in a secure, lockable unit

Aiding teachers
