

take the pressure
away from assessing
reading progress

fluencytutor[®]

for Google[™]

Great for time-stretched teachers, Fluency Tutor is an easy-to-use reading and assessment tool that makes reading aloud more fun and satisfying for students.

Fluency Tutor frees up busy teachers to focus on other classroom tasks, while giving every young person's reading a boost. What's more, it gives educators a clear picture of every child's reading attainment and progress over time.

Who it helps

It's a big help for students at **every stage of reading development**, including:

- ✓ **Emerging readers** building their foundation
- ✓ **Avid readers** seeking a wider variety of content
- ✓ **ELL students** expanding their vocabulary & understanding
- ✓ **Reluctant readers** who are self-conscious about reading aloud
- ✓ **Students with dyslexia** who need extra support

At a glance...

Library of **over 500 leveled reading passages**, based on content, lexile level or reading age

Create reading passages from existing curriculum materials or online sources

Share passages with individual students, or with the entire class using **Google Drive or Google Classroom** 'share' function

Students can **record** their own assigned reading passages whenever and wherever it suits them and **share back with their teacher**

Provides **extra help for students** with text-to-speech, dictionary, picture dictionary and translate tools

Quick Score tool for teachers to assess accuracy or **more in-depth assessment** of reading progress

Friendly dashboard interface for teachers & students

Hear what other educators are saying about Fluency Tutor

“ Fluency Tutor helps build student confidence in reading and gives them added practice time throughout the day. ”

Emma

Teacher at Kennedy Elementary

“ I love using Fluency Tutor! It’s easy to use and my students love it because they can see how their reading is improving. ”

Jacqueline Hawkins

Reading Intervention Teacher at Queen Anne’s County High School
