“
I’m excited to get the opportunity to meet with likeminded people from the community - with so many dramatic changes in education, the global nature of the community will be invaluable.

WHAT IS IT?

Our Hosted Leaders Programme matches school, university and government leaders with thoughtfully selected education solution providers to discover innovative new products and services, via 15 minute face-to-face meetings. Meetings will take place at designated times throughout 23-25 March 2022, alongside the Bett and Learnit events in the S1 and S2 Halls, ExCeL London.

Each meeting is based on both parties' mutual interest. We only match meetings where there is value for both the educator leader and the company. Participating educator leaders identify challenges they are trying to overcome and products and services they are looking to source, and education solution providers request meetings with leaders who are actively searching for the products and services they deliver. No random meetings or forced connections, just high-quality conversations between two parties who are perfectly matched to do business.

This invaluable initiative provides tangible ROI for all participants. Book now to discover a truly unique opportunity to start building productive, meaningful relationships with your future partners.

WHO CAN TAKE PART?

1. Educator Leaders: K-12, HE or Government

The programme is open to anyone in a leadership position within a school, university, or education system (e.g. government or state). Each education leader must be responsible for buying or evaluating education products, services and/or technology. Applicants should apply via our website or email hosted@bettshow.com for more information.

2. Education Solution Providers

The programme is open to all learning and technology companies that provide solutions or services to schools, universities and governments, both in the UK and internationally.

“
Thank you for letting me be part of the Hosted Leaders Programme, it was great! **It was like having a personal assistant to help set up the right meetings for me.** As a result we have already signed up with one of the suppliers – there is a good chance that I wouldn't have found them otherwise.

WHY TAKE PART?

As an education solution provider, what do I get?

- **Scheduled meetings with pre-qualified educator leaders** searching for your solution, product and/or service. Request meetings with leaders and showcase how your company can deliver the solution for their institution and overcome the issue they are trying to solve.
- **Choose your meeting package** and meet leaders that match your key customer profile. There are two meetings packages available on this programme:

1. Leader Plus; 6 x 15 minute meetings with educator leaders who meet one or more of the following criteria:

- a. Responsible for budget across 6 or more institutions
- b. Budget of \$1 million (£720k) or more
- c. Work for a ministry of education at a federal, state or municipal level

→ 6 meetings are £3,900 plus VAT. Additional meetings can be purchased at £650 plus VAT per meeting.

2. Leader; 10 x 15 minute meetings with educator leaders who control budget and are seeking education products or solutions.

→ 10 meetings are £3,500 plus VAT. Additional meetings can be purchased at £350 plus VAT per meeting.

BUILD RELATIONSHIPS WITH SENIOR LEADERS

HOW IS THIS DIFFERENT TO OTHER PROGRAMMES?

→ Meetings are based on mutual interest

You decide who you want to meet. All meetings are double opt-in; both parties must agree to the meeting taking place. This means you meet with leaders where there is a genuine value for both of you. You also have the option to decline meeting requests from leaders where you don't believe a productive, meaningful relationship could develop.

→ Meet qualified buyers actively seeking new partners

We pre-qualify all educator leaders to ensure you meet with leaders who have direct responsibility for evaluating and purchasing products and services. They are serious buyers actively looking to meet and talk to suppliers and partners.

→ Select institutions that match your target customer profile

Decide which meeting package you want to purchase, Leader Plus or Leader, ensuring you meet institutions that match your key customer profile.

→ You don't need to be an exhibitor or sponsor to take part

The programme is open to all education solution providers.

→ Unfulfilled meetings are refunded

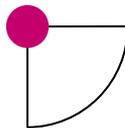

If a meeting is unfulfilled or someone doesn't show up to a meeting you have purchased, you'll be reimbursed on a per-meeting basis after the event closes.

I want to see buyers before committing

- We don't release the list in full, however all meetings are based on mutual interests.

15 mins is too short for me to do a full demo

- This isn't a forum for you to do a full demo. You'll have detailed information on the person you are meeting with. This is an opportunity for an introduction where you have both indicated mutual interests. You can follow up afterwards to further develop a sale.

What happens if you cannot match all the meetings I paid for?

- We only accept applications from companies we are confident we can provide meaningful matches for. If for any reason we cannot fulfil your allocation, you will receive a refund for meetings not scheduled/matched within 30 days after the event closes.

What happens if I need to cancel my involvement?

- If you become unable to participate, you can suggest one or more substitutes from your company as your replacement in the programme. If you are not able to provide a substitute approved by us, you will not receive a refund.

Do I get contact details for the people I meet with?

- Yes, once you have submitted your feedback after the event you will receive name, job title, company and email address for anyone you met with. Information will not be shared if the individual asks us not to share their information.

What happens if the person I'm meeting doesn't turn up?

- All participants apply to take part, and complete T&Cs to ensure commitment to full participation. You will receive a refund for any meeting where the other person did not turn up.

ABOUT US
