

Find the face that fits!

Education Recruitment Software

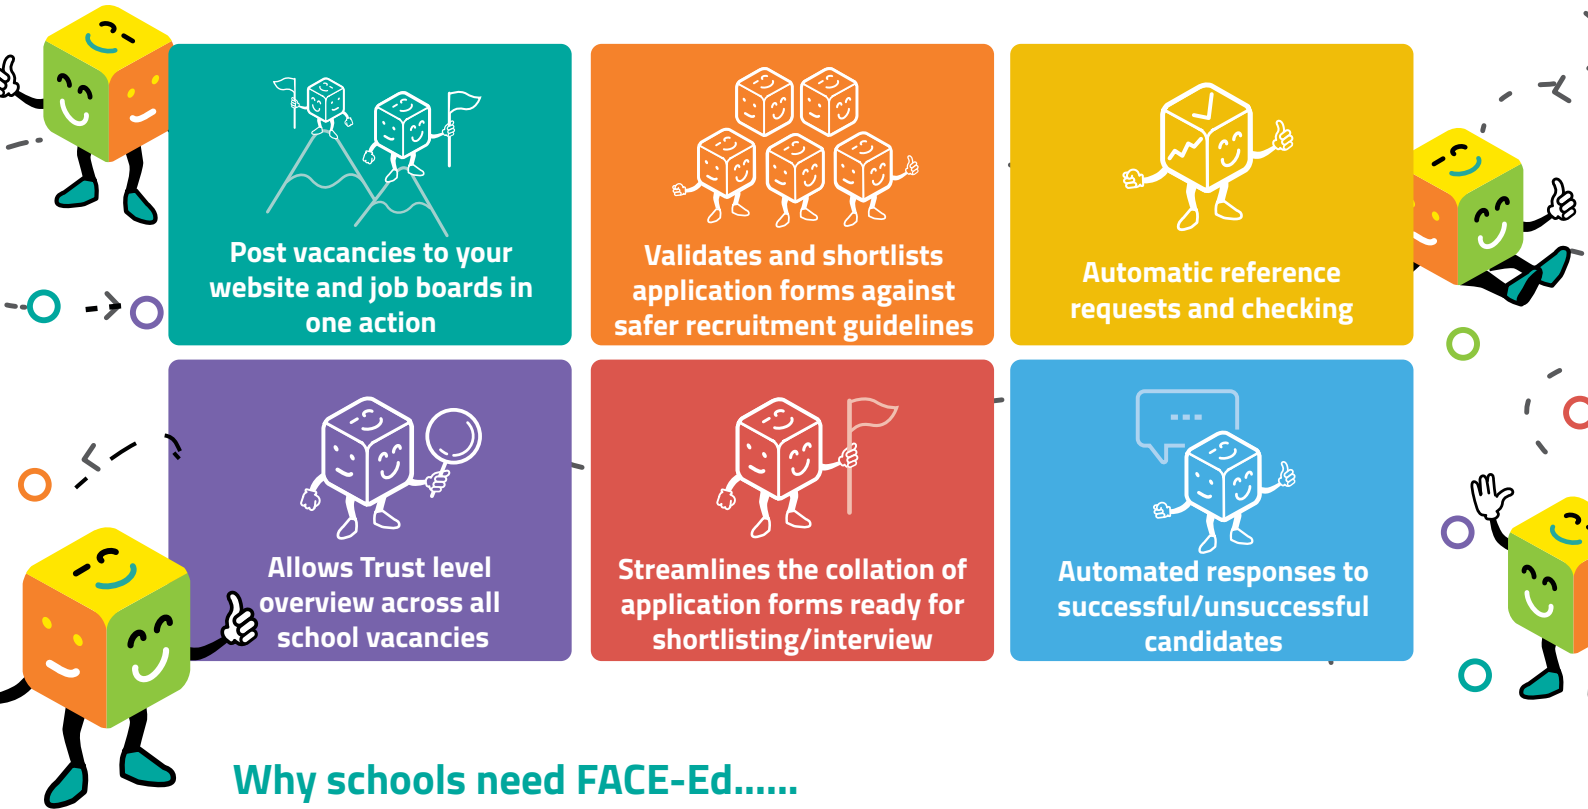

Automate your whole recruitment process

FACE-Ed – A Fusion of Application Checks Exclusively for Education

Attracting and retaining your best talent whilst exclusively addressing your Safer Recruitment obligations. FACE-Ed enables you to efficiently and safely find the FACE that fits with your culture.

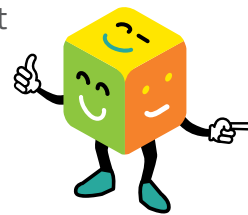

Developed specifically for Education, FACE-Ed is recruitment software that provides you with the ability to manage recruitment forms, applications, shortlists, references, DBS checks and Right to Work confirmations, all safely and securely online in one place.

From here you can issue letters of employment, contracts and structure induction plans to fully onboard staff, ensuring a great fit.
