Use Teacherfolio to provide insight to an existing long list, or make it the response mechanism for your recruitment advertising campaign.

Choose the digital content you'd like to see your candidates submit – videos, written replies and pictures. It's up to you!

We provide a bank of suggested questions to understand candidates better. You can add your own too. Get responses in writing or by video or offer them the choice.

When the closing date arrives, candidate portfolios will be ready and waiting online for review. Log in from any device, wherever you are.

Share the portfolios with your team and collate reviews and responses – all within the Teacherfolio platform.
