# Teacherfolio

Empower candidates to showcase themselves with digital portfolios.

## Improve candidate attraction

Continue to advertise through your preferred provider or with one of our partners to maximise the quantity, quality and diversity of your candidates.

## Increase candidate insight

Make more informed decisions when shortlisting by reviewing bespoke digital content, including videos and images, from your candidates.

## Save time

Select the content that you'd like to see in a few clicks and work efficiently, remotely and collaboratively with your team to review your candidates.

## Improve staff retention

Recruit the candidate that not only has the experience and skillset to fulfil the role but also the personality to thrive in your school environment.
