

# WHERE COLLABORATION MEETS PERSPECTIVE

Welcome to  
the modern  
meeting.

We're Owl Labs. We build cutting-edge  
technology that creates deeply immersive  
experiences that make you feel like you're  
in the same room, even when you're not.

## OWL LABS

# TRANSFORM YOUR MEETING ROOM INTO A SPACE OF POSSIBILITY.

Meet the award-winning Meeting Owl Pro, our premium 360-degree camera, mic, and speaker combined into one easy-to-use device. Using audio and motion cues, the Meeting Owl automatically focuses on who's speaking.

**Immersive Experience**

**Ideal for Larger Rooms**

**Delightful Simplicity**

...and loved by over 60,000 organizations and educational institutions globally.

## CUSTOMER LOVE

With teams spread across the country, the Meeting Owl has significantly helped us keep our remote team included and engaged. They are able to actively participate in conversations as though they are in the room.”
