Here's how meaningful digital education works

Implement digital materials with a validated product

As a publisher, you are making a significant contribution to the transformation of education. In order to provide students with the best possible opportunities for their future, digital actions are inevitable.

With eSquirrel, you save yourself the tedious process of developing your own product because you have a platform **validated by 100,000 users!** Through our intuitive authoring tool, new textbooks can be implemented very quickly as eSquirrel courses.

Available offline and on any device

Download your course and use it offline on any device (smartphones, tablets or laptop).

GDPR compliant

eSquirrel is GDPR compliant. The platform can be used in the classroom without any concerns.

Includes homework tool, learning analytics and worksheet generator!
