

The Good News

You've put technology in the hands of every teacher and student, equipping them for remote learning.

The Bad News

Your IT team has to support all of these devices without additional staff.

The Solution

Impero Connect for Education, brought to you by Impero.

The Benefits

- ✓ Access all devices from any location
- ✓ Diagnose issues with real time screen sharing
- ✓ Solve problems with integrated support tools
- ✓ Empower teachers with role-based access
- ✓ Ensure privacy with user confirmed access
- ✓ Quick and efficient implementation

Remote Control

- Realtime keyboard, video, mouse and touchscreen control
- Blank screen, lock mouse & keyboard
- Run Programs & issue system commands (logon, logoff, shutdown, restart)

Remote Management

- Access the Task Manager
- Manage the Registry
- Start & Stop Services
- View Software and Hardware Inventory
- Access the Command Console as an elevated user

Integrated File Transfer

- Drag and drop interface
- Copy, move, sync, clone and manage files

Secure Access

- User consent
- Set roles and permissions
- Comprehensive audit logs
