

## Comprehensive Online English Literacy Platform

LiteracyPlanet is a fun and engaging online English literacy platform, curriculum-aligned to help teachers deliver literacy outcomes for students aged 5 to 15, or from Reception to Year 10.

It is intuitively built to cater to each individual student based on their learning level, helping teachers with differentiated and personalised learning. Students are motivated with instant recognition, rewards and the storyverse to guide them through their journey.

LiteracyPlanet is jam-packed with high-quality activities across Phonics, Sight Words, Spelling & Vocabulary, Grammar & Punctuation and Reading & Comprehension.

- ✓ Curriculum-aligned
- ✓ Engaging
- ✓ Gamified-learning
- ✓ Personalised learning
- ✓ Auto-marking

# Empowering teachers and educators

Easy to use tools enable teachers to monitor, manage, and report on their students' progress with confidence.

LiteracyPlanet's program reduces workload, improves efficiency, and saves teachers time. Teachers can trust the program to deliver exactly what each student needs, and monitor their progress, and manually adjust if required.

Access real-time insights into learning progress.

Gain insight into the proficiency of each concept within each strand.

See growth in proficiency over time – last week, month or school year.
