

LEAPT304

Explore and experiment

As an educational device, LEAP T304 was designed to support children in their learning journey through the development of key skills of this age range, such as observation, experimentation, creativity, imagination and expression.

Purpose-built for Education

Designed as a classic laptop for students who look for productivity, portability and a great performance, **LEAP T304** was especially designed to be used by children. For instance, the possibility of dropping the device to the floor or accidental spills on the keyboard were kept in mind.

Drop resistant up to 100 cm
MIL-STD-810G

Liquid spill resistant up to 200 cc
Keyboard & Touchpad IP5x

Battery for a school day

Round edges & no sharp corners
For a safer user experience
