

Introducing

# Apple Learning Institute

A new, virtual professional learning  
experience for educators.

**12 spaces maximum per ALI course**

*“This was a very valuable experience that  
has helped to develop myself as a leader  
and supported me to create an action  
plan for my school.”*

**Rebecca Murray - Early Years / KS1 IT Lead**  
Mere Green Primary School - Apple Regional Training Centre (RTC)

jtrs **EDUCATION**

Authorised  
Education Specialist

# What is the Apple Learning Institute?

A series of high quality professional online events to show you how to effectively use Apple technology in education. The ALI event is a virtual, multi-day learning experience.

During the sessions, educators will be prepared to facilitate a whole school approach to the integration of iOS devices, Apple apps and resources for teaching and learning. You will develop skills to showcase how Apple technology can transform learning outcomes and become an Apple Learning Leader.

## Brought to you by:

### JTRS Ltd

Apple Authorised Education Specialist

We are a proud Apple Authorised Education Specialist (AAES) covering the UK with over 15 years of experience of helping educational institutes to transform teaching and learning outcomes using Apple products and resources for Education. Our specialist education team provides expertise from planning your vision for Apple technology, delivering and technically provisioning your devices and educational apps, through to financing your project. And of course supporting you with high quality training programmes such as Apple Learning Institute to ensure your technology vision, impact goals and learning outcomes are achieved.

The Learning Technology Company

#### Virtual Workshop Course structure: (2-3 hours per session)

- Session 1 - **Introduction to ALI**
- Session 2 - **Enhancing Learning**
- Session 3 - **Tools for Teaching**
- Session 4 - **Digital Action Project**
- Session 5 - **Apple Learning Institute Presentations**

# The Outcomes...

By the end of the course you will have:

## Apple Learning Leader (ALL) accreditation

To become an Apple Learning Leader you must:

- **Engage** - attend all sessions
- **Complete** the ALI workbook / Learning Technologies Survey
- **Create** and implement Digital Action Plan
- **Present** a 10 minute reflection to the group outlining findings and next steps
  - presentation can be delivered through Apple tools of your choice
  - include image / audio / video
  - contribute
  - collaborate

## An implemented Digital Action Plan

You will carry out a SWOT Analysis and consider how to promote sustainable change in your school or organisation. Then you'll complete the Learning Technologies Survey. You will consider the different stakeholders in your Digital Empowerment Steering Group, and the roles each one will play in the digital change and potentially transformation of your school or organisation. Finally, you'll join the ALI community, for support whilst planning your DAP.
