

Classsoos.com is an accessible, intuitive digital textbook and learning resources service.

Enrich your textbooks

Highlight terms and important ideas; add notes, thoughts, insights and questions and connect them to specific words or paragraphs.

Textbooks become relevant

Teachers and students can add external links to articles, papers, websites, videos and online activities to aid and expand understanding.

One stop shop

Textbooks from the leading UK education publishers: Pearson, Hodder, Cambridge, Oxford, Harper Collins, Bloomsbury, PG Online and more.

Anytime, anyplace, anywhere.

Use the Classsoos app to download textbooks to your device and continue reading and annotating offline. Even on the school bus!

No new username and password

Use your existing Office 365, Google or Firefly account to log in.

Carry less

No heavy textbooks to carry or forget!

Frequently Asked Questions

Which textbooks are available?

You can [search our catalogue](#) by title or ISBN at classsoos.com.

Which devices do you support?

You can access Classsoos via web browsers or download our iOS, Android or Window 10 apps.

Does it work offline?

Yes! Once you download the books to your device you can use Classsoos offline and it will sync with the server the next time you are online.

Can it help visually impaired users?

Yes! Our apps can read the text aloud and inherit the device's accessibility settings such as inverted colours and colour filters.
