# Winx® Touchscreen Whiteboard Frame

**The best of both worlds: Combine your high-tech touch panel technology with the powerful functionalities of traditional whiteboards in one ultimate solution: the BalanceBox® Winx® range. Our bestselling whiteboard solution, which also has the best value for money, is the Winx® 4b. This solution preferably combines 75" and 86" panels with the BalanceBox® 650 (the feather light dynamic height adjustment), two double-sided pivoting enameled steel whiteboards, a whiteboard stop, and an optional whiteboard lock.**

The Winx® 4 and Winx® 6 have three standard size frames for 60" up to 86" touchscreens and flat panels. These frames are fully adjustable around your panel, creating a harmonious ensemble, and include an aluminum bottom tray and a choice to go for either 4 or 6 enameled steel whiteboard surfaces.
