e**S**quirrel

Making textbooks playable

GET IT ON **Google Play**

Download on the **App Store**

Online on **portal.eSquirrel.com**

On your smartphone, tablet or online!

Teachers and instructors spend **tons of hours correcting homework and tests.** Wouldn't it be smarter to use these resources for the needs of their students?

Meet **eSquirrel** - the learning portal & quiz app matching your textbooks and learning materials.

Teach interactively and digitally with eSquirrel, evaluate homework and quizzes with one click and see directly the learning progress of your students.

Create your own digital learning material **FOR FREE!**

Your teaching and learning companion for the entire school year

Here's how you can teach digitally:

Step 1: Create an account and log in
Create your free account in our portal (portal.eSquirrel.com). With the same account you can use the app, the teacher's portal and the author's tool.

Step 2: Create your own course
www.eSquirrel.com/en/create-your-courses

Step 3: Create a class

Great benefits for
you and your students

eSquirrel

Review learning progress

You maintain an overview of the learning progress of the entire class and individual students.

Solve tasks

Students work with 8 question formats and images, audio, algebra and videos.

Assign homework

Set deadlines for quests! Correcting homework assignments now only takes one click.

Use on all devices & offline

Without registration

Students can use the app without registration: Start straight away!

Print worksheets

Need to print? Quiz questions can easily be optimized and printed for your students.

Play levels

By repeating quests, students strengthen their skills and gain confidence in their abilities.

No forgotten homework

Students get notifications on their smartphones with their homework assignments.

100% ad-free

Use our digital content without any disturbances.

And that's not all! Further features can be found on:

www.eSquirrel.com/en/features

Completely free
Create your own digital courses

Download the eSquirrel app for **free**!

Available
OFFLINE

With the eSquirrel author's tool you can **create your own mobile optimized content**. You and your students can use all features in the app as well as in the portal completely **free of charge**.

Add videos, images, audio and algebra to a total of 8 different question styles.

"The students are of course happy to be able to start their future with a new tablet. Participating in the competition has also increased their learning success and eventually had a positive effect on their grade, particularly in a difficult school year like this one. A complete success indeed!"

Martin H., teacher of the winning class "Most epic class of Austria 2020/21"
