REVOLUTIONISE TEACHING AND READING

- A unique, powerful reading quiz website where teachers and pupils can effortlessly create and share content in a safe and secure environment.
- Our Curated Collection resources give you everything you need to master reading online, offline, in school and out of school - including access for parents.
- Access rich reading assessment data no one else can give you - all automatically generated. Pinpoint where to target teaching and interventions.
- Incentivize reading like never before with competition modes between pupils, classes and even schools.
- Chapter by chapter coverage for all the most popular books for primary schools, available online and offline and custom, high quality texts.
