

Are you interested
in remote learning
solutions?

Do you want to
stand out with
your preschool?

We provide
e-learning games
in Indian regional
languages!

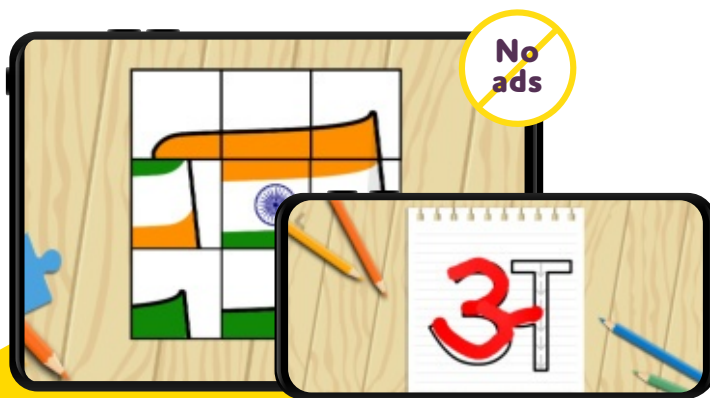

Let's guide screen-time towards
positive and educational content!

ALPA

K I D S

ALPA Kids is a mobile app for children aged 2-8, their parents and teachers to help children learn the essentials like colours, numbers, the alphabet etc through the examples of their own culture and local nature.

We are looking for
innovative Indian preschools!

Interested in collaboration?

Schedule a call with our [CEO Kelly Lilles](#)

Or write us on info@alpakids.com

www.alpakids.com
