£500 with every purchase of 25 or more Acer Windows 10 devices per school.  
£1000 with every purchase of 100 or more Acer Windows 10 devices per school.

## FREE COMPETITION

Win the chance for up to 16 students to attend a 2-day STEM Camp delivered in partnership with the RAF and RAF Museum Cosford.

A partnership between Tablet Academy, the Royal Air Force and the RAF Museum.

# WHY ACER?

Our goal is to bring innovative technologies to schools supporting educators to create the perfect learning environments to develop the skills students need for their future.

- |   |  |  |
|---|--|--|
|    | Unique ecosystem of partners and solutions | Ecosystem is key to answer to education needs. Thanks to a network of partners we commit to make learning more effective and engaging, while granting educators a professional development path that integrates technology into their teaching.  |
|    | Comprehensive Portfolio                    | We offer an extensive range of education-friendly tools including tablets, 2-in-1 devices, notebooks, chromebooks, desktops, monitors and projectors, innovative technologies in addition to proprietary and third-party software solutions and apps, all designed to foster curiosity and thoroughly engage the classroom.  |
|    | Best-in Class Service                      | Our personalized services and award-winning customer service and support is instrumental in helping schools prevent technical issues from disrupting the learning process.   |
|    | Partners focus                             | Acer's close-knit network of partners includes institutional partners, alliance partners, professional development partners and education channel partners – all working to serve the constantly-changing needs of the education community with devices, training, services and support.   |
|  | Acer Innovative School program             | The Acer Innovative School program actively supports schools that have embraced Acer technology to try out and implement new teaching and learning environments that give students the instruments they need to develop real-world 21st-century skills.  |
|  | Eco-conscious devices                      | One of Acer's greatest goals is to minimize the impact of its products on the environment. Acer cares for the environment at every stage of production, from the design of a new product to the natural end of its useful life. From restricting the use of potentially harmful chemicals in the raw materials used in their design to rethinking their packaging, we are striving to ensure that buying Acer products is an all-around safe choice for environmentally conscious users. |

## OUR VALUES

### INNOVATE.

Innovation is fundamental when it comes to education, and innovation yields results. From collaborative assignments to virtual and mixed reality learning environments, innovation allows education institutions to develop original and immersive learning scenarios.

### ENGAGE.

When schools foster collaborative environments, student engagement within the learning process is amplified. That is why Acer for Education is fully committed to supporting schools in implementing innovative collaborative learning environments to meet the challenges of the 21st century.

### EMPOWER.

Creating a comprehensive technological ecosystem is how we empower students to become the leaders of tomorrow. Our goal is to help teachers provide students with skills that meet business and industry demands.

## ACER UPGRADE PROGRAMME

For every qualifying device that you purchase, you can trade-in an unwanted desktop or laptop to earn up to £150 cashback for every device that you Trade-In.

## HOW IT WORKS

Your Acer for Education trade-in Rewards in 3 easy steps!

### PURCHASE

Purchase your [qualifying Acer](#) products within the promotional period from one of our Partners.

### CLAIM

Submit your online claim [here](#) within 30 days of your date of purchase.

### TRADE-IN

Send your old device/s within 30 days of approval of your claim to receive your Cashback.

# RESPONSIBLE RECYCLING

When using the Acer Upgrade Programme, if you choose to recycle your devices through the Tablet Academy Recycling Programme, you could claim **extra STEM Rewards**.

They collect, wipe, and recycle your old school devices free of charge and to full EU GDPR compliance.

## Why Recycle with Tablet Academy?

REDUCE CARBON  
FOOTPRINT

FINANCIAL REWARDS

REDUCE LANDFILL

GDPR COMPLIANT

A minimum of 10 recyclable devices is required to use the Recycle Programme.

## ACER RELIABILITY PROMISE

We are proud to offer the Acer Reliability Promise on our whole professional product range.

If you purchase any qualifying Acer product before 31st of December 2021 and register it within 30 days, this will allow you to claim a refund of the full price paid if your Acer device develops a fault and is repaired under warranty.
