

The Original Fruit Collector - harvesting net

www.fruitcollector.net

Henry Fordin katu 5, 00150 Helsinki, Finland

The Original Fruit Collector -net catches the windfalls and makes harvesting easier.

Less bruises, less spoilage, less food waste!
It works even when you're not there!

New product now available for UK retailers

Fruit Collector is an online sales success, now looking for garden centres & stores and other retailers in UK.

Be among the first and benefit the most from it's novelty value!
