Introduction

Dear Henri Studio Enthusiast!

As we put a crazy 2020 season behind us and look forward to brighter horizons for 2021, we're introducing **30 NEW HENRI STUDIO ORIGINALS!** And as the creativity continues at Henri Studio, we continue to build the widest, most diverse and most original product offerings in the market today.

- The **Cascading Pools Fountain** offers four large pools of water as a modern, one-piece work of art. This fountain speaks for itself...great structure, great sound, great water action.
- A definite original, the **Moon Dance Fountain's** design is true to its namesake. Varying water from both a copper spout and a copper spill make this a world premier design.
- Our **Paradiso Fountain** will beautifully complement any garden setting. Its appealing artistic detail and excellent water flow will be enjoyed for years to come.
- For a more intimate setting, the **Avanti Fountain** nestles in and makes your small spaces come alive with dancing water and bubbling sound. And, as with most of our fountains, the LED lighting provides a shimmering dance long into the night...
- If you're looking for big sound in a small space, the **Castille Fountain** is your answer. Nine crowning spills of water create a dramatic chorus of rushing water, all in a very compact size.
- Our **Laguna Wall Fountain** offers dramatic lighting and water flow. With its wide copper spill and its 3 backlit panels of light, the Laguna Fountain will create both drama and elegance in your outdoor space.
- As if chiseled from rock, the **Stone Basins Fountain** lives naturally in your garden landscape. Three pools of copper-accented water provide soothing flow and sound in a structurally powerful design.
- The **Zen Gate Fountain** shows strength and lightness of being with its balance of rough-hewn beams and flow-through airiness. The copper spill and plunging water add to its dramatic presence.
- With its sweeping backside, the **Pendant Wall Fountain** has great structure with a nicely inset jeweled cross as its focal point. Add the wide water flow along with dramatic up-lighting and you have a compact fountain that is sure to be a star performer.
- The **Bali, Turkish and Shimmering Urn Fountains** give you varying options of the traditional urn fountain. An adjustable plume height and internal light let you set the mood as you desire.
- Our **Grand Oak, Grand Birch and Grand Leaf Benches** are a perfect focal point and seating area for your landscape. With ample surface area for 3 or 4 (2 if you're social distancing), these benches will stand the test of time as they grace your garden for years to come.
- The **Bali, Turkish & Shimmering Urns** and the **Large Bowl** serve as awesome planters as well!
- **Zen Ziggy, a Zen Frog, a Zen Bear** and a **Peaceful Dragon** are new statues that will bring an absolute sense of tranquility to your garden.
- Our **Googly-Eyed Frog, Garden Snail, and Tres Amigos Meerkats** will add a touch of whimsy!
- And our **Sun-Kissed Iguana, Abstract Owl and Emperor Penguin** are uniquely appealing.
- Finally, "**Paddy**" the **Peaceful Dragon**, "**Iggy**" the **Itchy Dragon** and "**Sammy**" the **Sleepy Dragon** join "Tanner", "Bella", "Piper" and "Scout" as we increase the size of our dragon family!

Wishing you much outdoor enjoyment!
