LodiUK

LEADERS IN PEST CONTROL PRODUCTS

Lodi UK are leaders in the manufacture and supply of pest control products to the professionals. We lead through innovation as well as supplying the most effective products available. The active ingredients and formulations of both the insecticides and rodenticides are the same as supplied to our European professional pest control market. With the Lodi range of products you have full 'peace of mind' that you are supplying your customers with products proven to work fast!

NEW PRODUCT LAUNCHES

Lodi UK are proud to launch new ranges of the most effective and fast acting products to the UK market. Our Racan range, the UK's rodenticide brand, is all new and improved. Continuing to lead sales, the brand now features our 'multi-packs' display option, all-weather single-feed blocks, and the latest packaging design. Our ranges are designed to stand out on the shelf highlighting their unique benefits and will ensure speedy sales, good margins and happy customers.

TARGET BETTER PROFIT MARGINS

Our range of products have been specifically branded, packaged and priced to appeal directly to the consumer as well as resellers. The products are of the highest quality to ensure fast and effective success in controlling pests. Lodi UK produce and supply products direct to retailers so that you maximise your profit margins with a complete range for every customer requirement.

FULL MARKETING SUPPORT

Lodi UK supports in-store and on-line retailers of our products with a full suite of marketing material including -

- Pack shots
- Leaflets
- Retail displays
- 'How-to-use' videos

RACAN

The UK's leading range of rodent control products

Our Racan range, the UK's leading rodenticide brand, is all new and improved. Continuing to lead sales, the brand now features our 'multi-packs' display option, all-weather single-feed blocks, and the latest packaging design.

Explore the Racan range with Lodi's Rapid, Force, and Dife products including the fastest UK active for controlling mice, the UK's leading single-feed active, and our Home Defence 'multi-feed' technology.

UK'S FASTEST MOUSE CONTROL RANGE

Racan Rapid with patented microencapsulation technology. A unique breakthrough range which can control mice within minutes!

- Formulated with pioneering technology
- Fastest working mouse bait available in the UK
- Can control mice instantly
- Puts mice to sleep before they die

Racan Rapid's advanced breakthrough technology ensures mice hit a lethal dose from as little as a mouthful. The effects of immobilisation are almost immediate sending mice into a peaceful sleep before their untimely death.

The range of products is formulated with the active ingredient alphachloralose which is unlike widely used anticoagulant baits that can take days before any control is seen. Previously only used by professional pest control companies but now available to retail!

The Racan Rapid range ensures that you are offering your customer the fastest form of mouse control bait in the UK! The design and packaging of the products stand out from other competitor products highlighting the unique speed and efficacy of the product together with a simple 3 step how to use guide.

ADVANCED
MICROENCAPSULATION
TECHNOLOGY

TARGETS MICE FAST
FORMULATED TO CONTROL MICE IN HOURS!

Racan Rapid Paste 80g Paste Sachets

A pack of 8 x Racan Rapid paste sachets formulated with patented microencapsulation technology to ensure mice hit a lethal dose from as little as a mouthful. Each sachet is packed with hazelnut attractants to lure mice to the bait and once they have eaten just one mouthful the effects of immobilisation are almost immediate sending mice into a peaceful sleep before their untimely death. Only previously available to professional pest controllers but now available from Lodi UK to retail! Sachets to be used in the Racan Rapid tamperproof station.

Product Code	R8901
Contains	Pack of 8 x 10g Paste Sachets
Active	4% Alphachloralose
Outer	12 x Packs

Racan Rapid Mouse Killer Stations Pre-baited & Reusable x 2

A pack containing 2 x baited stations which can each kill over 50 mice. A specially designed transparent tamperproof bait station ensures that the bait is safely secured and only accessible to mice. The mice can simply enter the station and feed on the bait within. The user is able to see if the bait has been eaten and then either dispose of the station or use the key attached to the side to refill with Racan Rapid Paste or Racan Rapid grain sachets. Simply place the bait station where there are signs of mouse activity and the mice will be lured to the station by the hazelnut attractants within the bait. Control of mice can be within minutes of bait take.

Product Code	R8902
Contains	Pack with 2 x Pre-baited Stations
Active	4% Alphachloralose
Outer	12 x Packs

UK'S FASTEST ACTIVE FOR RATS & MICE

Racan Force, produced with the UK's leading single feed active, is lethal to rodents. Rats only need a single feed of Racan Force to hit their lethal dose. Control of an infestation can occur within days of bait take.

- Formulated with single feed technology
- Fastest working active for rat control in the UK
- Control of infestations within days of bait take

Our pioneering single feed active technology is specifically designed by our professional team to ensure users have the fastest, most lethal rodent control bait on the UK market. Rats and Mice hit their lethal dose from as little as one feed, resulting in the quickest possible death.

The Racan Force range ensures you are offering your customer the fastest form of rat control bait in the UK. Racan Force coupled with the Racan Rapid range for mice offers your customer the pinnacle in rodent control! The design and the packaging of the products stand out from other competitor products highlighting the unique speed and efficacy of the product.

SINGLE FEED
ACTIVE TECHNOLOGY

ONE FEED - LETHAL DOSE

Racan Force Rat & Mouse Killer Station with 6 x 10g Paste Sachets

The ultimate kit for rat control! A pack containing a tamperproof and reusable rat bait station with baiting rod / tray / wall fixing bracket / glove together with 60g of paste bait, enough to control over 10 rats. Easy to use / very secure - The rats simply enter the station and feed on the bait within. A step by step guide and advice column on the side of the packaging ensures that every user can use the pack safely and proficiently and control their infestation quickly. If the user requires more bait they are able to open the bait station and replenish with either Racan force paste or grain from our range of products.

Product Code	R8919
Contains	Pack with Rat Station + 6x10g Paste Sachets
Active	0.0025% Brodifacoum
Outer	6 x Packs

Racan Force Grain

Rat & Mouse Killer 150g

A pack containing 6 x 25g Racan Force grain sachets formulated with single feed technology and delivering a lethal dose in one feed. The pack contains enough bait to control over 40 rats! Each sachet contains cereals which are highly attractive to rats and offer your customers a choice to paste. Sachets to be used in the RACAN Force bait station.

Product Code R8913
Contains Pack of 6 x 25g Grain Sachets

Racan Force Block

Rat & Mouse Killer 300g

A unique and highly attractive bait for use by amateurs that can kill rodents in a single feed. Racan Force block bait is formulated from a blend of premium grade cereals and added attractants to give proven efficacy in the most difficult environments, in and around buildings.

- Single-feed**
- All-weather**
- Amateur use**
- Kills up to 75 rats per tub**
- For rats and mice**

Ready-to-use block bait to be used in tamper-resistant bait stations for the control of rats and mice in and around buildings.

For best results use alongside the BETA or BORA bait stations (also supplied by Lodi UK).

Product Code RACANSB300
Contains 300g tub of blocks
Active 0.0025% Brodifacoum
Outer 12 x 300g tubs

FOR THE CONTROL OF RATS & MICE

Racan Dife Home Defence – a product range formulated to administer a lethal dose in just a few feeds but produced with an active with reduced toxicity. An ideal range of products for young families / parents or pet owners who need to control a rodent infestation effectively.

- Eradicates mice and rats in just a few feeds
- Ideal for use in sensitive areas such as kitchens or food preparation areas
- Highly palatable formulation

Our Home Defence rodenticides have been carefully selected to give parents, young families, pet owners the confidence they have chosen a poison that is lower in toxicity, whilst effective enough to administer a lethal dose to rats and mice. Specially designed, this multi feed bait is consumed over a few days so rats and mice cannot associate the poison with making them feel unwell.

Once the lethal dose is reached rats and mice will take several days for the anticoagulant to bring them to their untimely death.

The design and the packaging of the products stand out from other competitor products and appeal to users with families and pets as well as detailing how to apply and replenish baits.

Racan Dife Block Rat & Mouse Killer 300g

A pack containing a 10 x 30g blocks that deliver a lethal dose in just a few feeds. The blocks are formulated and produced with over 15 different cereals and sugars making them irresistible to rodents! Each bait block has a hole running through the middle so that they can be safely secured onto the baiting rod of the tamperproof Racan Rat Station or simply placed into the Racan Mouse Station. Ideal for use in sensitive areas and once safely secured in a Racan station can be used in areas where children and pets may occasionally be present.

Product Code	R8911
Contains	Pack of 10 x 30g Blocks
Active	0.0025% Difenacoum
Outer	12 x Packs

Racan Dife Block Multi-display 6 x 150g Pouches

Racan Dife Block is scientifically formulated with multi-feed active technology.

Our Home Defence rodenticides have been carefully selected to give parents, young families and pet owners the confidence they have chosen a non-single feed poison effective enough to administer a lethal dose to rats and mice.

Racan Dife Block is highly palatable and lethal to rats and mice. The active ingredient, difenacoum 25ppm, is a non-single feed poison available in the UK. This makes it ideal for use in and around the home.

Racan Dife Block Multi-display contains 6 resealable 150g pouches. Each 150g pouch contains individually wrapped blocks, keeping the bait fresh and palatable for longer.

Product Code	RACDBL
Contains	Display box of 6 x 150g pouches of blocks

Traditional Wooden Traps and Plastic Snap Traps for Rats & Mice

Our complete range of rat & mouse traps pair perfectly with Racan rodenticides.

Lodi UK's proven experience and expertise in professional pest control has allowed us to gain an insight on what works!

Our new range of wooden and plastic snap traps are designed and manufactured for speed and efficacy coupled while also durable and reliable.

We use only the very best springs as standard for fast, humane control while also ensuring they are built to last!

Racan Wooden Mouse Trap

Over 100 years later and the traditional Racan Wooden Mouse Trap is still the best selling and most effective design today. A favourite with everyone due to its easy setting treadle plate and fast action. Can be used with the highly palatable and luring Racan rodent attractant!

- ✓ Bait placed on treadle plate and raised to set
- ✓ Mouse has to touch treadle plate to reach bait
- ✓ Mouse triggers snap trap when it applies the slightest pressure to treadle plate
- ✓ High catch rate – quick and humane

Product Code RACAN1092
Outer 24 x 2 per case

Racan Wooden Rat Trap

'The Big Brother' of the favourite mouse trap. Designed to catch larger rodents with a powerful spring for amazing results. A favourite with everyone due to its easy setting treadle plate and fast action. Use with the highly palatable and luring Racan Rodent Attractant!

- ✓ Bait placed on treadle plate and raised to set
- ✓ Rat has to touch treadle plate to reach the bait
- ✓ The rat triggers snap trap when it applies the slightest pressure to treadle plate
- ✓ High catch rate – quick and humane

Product Code RACAN1094
Outer 12 per case

Racan Plastic Mouse Snap Trap

Loved by many. The conventional style break-back trap that is so easy to set and extremely powerful. Fast and humane action. Triggered when the mouse touches the treadle plate trying to reach the bait. Use with the highly palatable and luring Racan Rodent Attractant!

- ✓ Easy to bait and set
- ✓ Re-usable
- ✓ Do not need to handle dead mice
- ✓ Twin Pack for extra value

Product Code RACAN1093
Outer 24 x 2 per case

Racan Rat Snap Trap

The 'Goliath' of rat snap traps! A very strong snap trap that will kill rats instantly. Strong, reliable, and with its high-class engineering, will last and kill rats effectively time and time again! Bait with 'Racan Rodent attractant'.

- ✓ Re-usable
- ✓ Powerful quick action
- ✓ Highly effective and humane
- ✓ Do not need to handle dead rodent

Product Code RACAN1091
Outer 12 per case

Racan Advanced Mouse Trap

New! The most powerful, advanced and humane mouse trap available today. The goliath of all mouse traps. Once baited with 'Racan Rodent Attractant' and simply clicked, the advance break-back trap with fast action jaws is the most successful and reliable trap that can be used again and again.

- ✓ One hand easy set and bait
- ✓ Highly effective and humane
- ✓ Re-usable
- ✓ Powerful quick action

Traditional Cage and Mole Traps for Rats, Rabbits, Squirrels & Moles

Our high-quality rodent cages and mole traps are designed to perfectly complement our range of leading rodenticides.

Lodi UK's proven experience and expertise in professional pest control has allowed us to gain an insight on what works!

Our range of traps are designed and manufactured for speed and efficacy coupled while durable and reliable.

For example, we use only the very best springs for fast, humane control while also ensuring they are built to last!

We have extended our range of mole traps to include the new claw trap which is one of the UK's leading products with pest controllers and farmers alike.

Cage Traps

Racan Rat Cage Trap

A traditional style cage trap as used by professionals for the humane trapping of rats or similar sized pests. The entrance is quickly sprung closed when the intruder takes the bait. Safely trapping it inside. The cage also acts as a multi-catch trap with a one-way door at the opposite end of trap allowing for further rats to be caught inside.

- ✓ Double entry multi-catch trap
- ✓ Re-usable
- ✓ No poison required

Product Code RACAN1097
Outer 4 per case

Racan Rabbit & Squirrel Cage Trap

A traditional style cage trap that comes flat packed to avoid taking up lots of space. Very easy to assemble and de-construct when not in use. For the humane trapping of rabbits, squirrels and similar sized pests. The entrance is quickly sprung closed when the intruder takes the bait, safely trapping it inside.

- ✓ Easy to assemble flat pack design.
- ✓ Re-usable
- ✓ No poison required

Product Code RACAN1098
Outer 5 per case

Mole Traps

Racan Mole Scissor Trap

Very popular and highly effective mole scissor trap. Double entry trap allows moles access to the trigger plate from either side of tunnel. Easy set long handles for safe grip and instant monitoring of triggered traps.

- ✓ Strong durable construction
- ✓ Mole triggers plate as it moves through tunnel.
- ✓ As used by professional mole trappers.

Product Code RACAN1095
Outer 12 per case

Racan Claw Mole Trap

Highly effective and successful mole trap designed and used by professionals. Triggered by the moles natural soil clearing upwards action. Double entry mole traps allow access from either side of tunnel. A must in the pest controller's armoury.

- ✓ Horizontal trigger plate
- ✓ Triggered by moles natural soil clearing action
- ✓ Easy set
- ✓ Humane fast kill

Product Code RACAN1096
Outer 6 per case

Racan Tunnel Mole Trap

Also known as the 'Duffus' or 'Barrel' mole trap. Another fantastic trap for catching those unwanted garden pests. Double entry trap catches and humanely kills mole from either side as it passes through the tunnel.

- ✓ Fast action humane kill
- ✓ Double entry dual setting trap
- ✓ Used by professionals

Product Code RACAN1099
Outer 24 per case

Robust Rodent Bait Stations and Chemical-free Rodent Control

Our high-quality rodent bait stations are designed to perfectly complement our range of leading rodenticides.

Lodi UK's proven experience and expertise in professional pest control has allowed us to gain an insight on what works!

Our range of stations are designed and manufactured to be durable and reliable.

As the UK's leading products with pest controllers and farmers alike, Lodi UK also offer chemical-free rodent control to be used alongside our rodenticide range.

Rodent Bait Stations

Racan BETA Bait Station x 6

The BETA bait station is a robust and fully secured medium sized bait station used by professional pest controllers for indoor and outdoor use. Designed to securely hold and keep bait dry from the elements. Comes with wall bracket and key so that it can be easily secured against a wall. Another special feature is the removable tray as the BETA can now be used with certain 'Racan Mouse Snap Trap' inside.

- ✔ Ideal for securing Racan block baits and bait sachets
- ✔ Can be used with Racan Wooden and Plastic Mouse Snap Traps – sold separately
- ✔ Comes with removable tray, bait fixing rod, universal key (Opens BORA) and wall fixing plate

Product Code B.E.T.A.6
Outer Case of 6

Racan BORA Bait Station

The big brother BORA bait station is a robust and fully secured bait station used by professional pest controllers for indoor and outdoor use. A dome design to securely hold and keep bait dry from the elements and allows rodents to eat in comfort. Comes with wall bracket and key so that it can be easily secured against a wall. The BORA can also be used with 'Racan Plastic Rat Snap Trap' inside.

- ✔ Ideal for securing Racan block baits and bait sachets
- ✔ Can be used with Racan Plastic Rat Snap Trap – sold separately
- ✔ Come with trays, bait fixing rods, universal key (Opens BETA) and wall fixing plate

Product Code B.O.R.A

Chemical-free Rodent control - Proven to work!

Racan Giant Glue Boards, pack of 2

The Giant Racan Rat & Mouse glue boards are manufactured to solve problems that have become out of control quickly. Two large solid wooden boards armed with very strong and secure glue will trap the largest of rats! The glue has a built in sweet attractant to draw rats and mice to the boards. The boards can be used indoors and outdoors as they are manufactured on solid woodchip boards that can be used in all environments without affecting the trapping efficacy. Lodi UK only supplies products that are guaranteed to work, hence the reason for the 'Giant' size which is specifically needed when trapping rats and mice.

- ✓ Large boards for faster control
- ✓ Woodchip boards that can be used in wet and damp areas
- ✓ Glue with built in attractant
- ✓ Catches multiple numbers of mice and rats

Product Code RACAN1068
Outer Case of 24 packs

Racan Pro Sonic Rodent Repeller

The new 'tried and tested' Racan Pro Sonic Rodent Repeller for full home protection! These new sonic repellents automatically use alternating frequencies to deter both rats and mice. Unlike most other repellents that only use one frequency which rats and mice get used to, Racan Pro Sonic Rodent Repeller fluctuates its frequency to ensure that rats and mice are continually deterred. The ultrasound frequencies are specific to rodents and cannot be heard by pets or children and can be easily positioned where pests need to be deterred. The highly alluring packaging will ensure that consumers buy it off your shelf and if used correctly will deter pests from their home!

- ✓ New alternating frequency technology
 - ✓ Pet friendly
 - ✓ Child friendly
 - ✓ Economical, clean and easy to use
- KITCHENS
 - ATTICS
 - CELLARS
 - HALLWAYS
 - GARAGES
 - OFFICE BUILDINGS
- RESTAURANTS
 - WAREHOUSES
 - BOATS
 - OUT BUILDINGS
 - SHOPS

Product Code RACAN1090
Outer Case of 6 packs

We recommend that a user should first eradicate the infestation with baits or traps and then use repellents to deter any other rodents from entering.

Anti-Rodent Spray

Specialised spray to protect electrical cabling and insulation materials from rodent attack for up to 6 months. Lodi UK's anti rodent spray contains a specially formulated vaporised solution that once sprayed forms a protective film. Simply spray on the surface and rodents will no longer chew through or bite into the treated area. An ideal product for domestic and agricultural buildings as well as farm machinery where rodents might bite through cabling. Also effective against squirrel attack.

- ✓ Up to 6 months protection against rodent attack

Product Code R8061
Outer 12 x 500ml can

INSECTO

Assured insect control products

The Insecto range is formulated to the highest quality to ensure it works fast and effectively.

The range encompasses some of the strongest products available for safe use around the home as well as innovative solutions to eliminate all insect intrusions.

Every domestic insect problem will be controlled with the Insecto range. The commercial advantage to you is an increase in profit margin and a complete range for every customer need.

Insecto Super Bug Destroyer

Insecto Super Bug Destroyer – A true all-round insecticide!

The Insecto Super Bug Destroyer is formulated to stop an insect problem quickly, whilst leaving behind an active residual that will control pests for a number of weeks thereafter. Simply spray directly at insects, or where insects appear / congregate and it will kill them after its use.

- ✓ Targeted fast and effective control of all flying and crawling insects
- ✓ Combines quick control with residual that will control for days

INSECTO

Assured insect control products

The Insecto range is formulated to the highest quality to ensure it works fast and effectively.

The range encompasses some of the strongest products available for safe use around the home as well as innovative solutions to eliminate all insect intrusions.

Every domestic insect problem will be controlled with the Insecto range. The commercial advantage to you is an increase in profit margin and a complete range for every customer need.

Insecto Clothes & Food Moth Traps

Two specially formulated non-toxic moth traps containing sex pheromones that lure moths onto a non-drying glue area within the trap. Each pack contains two traps.

- ✓ Unique pheromones
- ✓ Lure and catch
- ✓ Ready to use glue traps

Product Code	INS3014 (Food Moth Trap) INS3013 (Clothes Moth Trap)
Contains	Sex pheromones
Size	Pack of 2
Outer	12 x packs of 2 traps
Use	All year round

Insecto Fly Sticky Paper

A very useful non-toxic trap for capturing flies. Designed to be very easy to use, just pull the loop downwards slowly in a twisting motion. Fix to wall or ceiling using provided tack, near to where flies congregate, allowing the paper to hang down freely. Flies are lured to the attractants in the glue. The amazing results are there to be seen as fly upon fly will readily get stuck to the trap. It is very important to trap unwanted flies as they are vectors for many pathogens, spread viruses, worms and can transmit disease.

- ✓ Easy to use and very effective
- ✓ Non-toxic Glue Paper
- ✓ Removes unwanted flying insects as they rest
- ✓ Indoor and outdoor use

Product Code	INS3015
Contains	Non-toxic glue
Size	Pack of 4
Outer	Display contains 24 packs of 4
Use	All year round

Insecto Pro Formula Wasp Nest Destroyer

Wasp nest foam kills wasps in their nest from a distance. A fast and effective method that kills the nest within twenty-four hours. Simply point the can at the nest from approximately two metres and release – the foam expands as soon as it hits the nest killing all the wasps within. Use this product when you can see the whole nest, in a loft, shed, garage, tree etc. 300ml of foam is enough to treat three large nests.

- ✓ Kills wasps in the nest
- ✓ Effective within 24 hours
- ✓ Enough to treat three large wasp nests

Product Code INS3020
Contains Tetramethrin, Trans-phenothrins
Size 300ml aerosol can
Outer 12 x 300ml aerosol cans
Use All year round

Insecto Pro Formula Fly & Wasp Destroyer

Probably the strongest Fly and Wasp spray available on the UK market. Simply direct the spray at the target and it will kill the pest in an instant. Many aerosols contain very little active ingredient and when used prove fairly ineffective, however with Insecto's instant results customers are moving away from known brands to Insecto.

- ✓ Kills insects instantly
- ✓ Also used by professionals
- ✓ For use all around the home
- ✓ Targets all flying and crawling insects

Product Code INS3021
Contains Tetramethrin, Trans-phenothrins
Size 300ml aerosol can

Natural and effective pest control

Pesticide free, our new products are perfect for both professionals and consumers alike, providing a fast-acting elimination solution for crawling and flying insects.

Organ-X Pro Natural Insect Killer in both a Ready-to-Use and Concentrate are made from natural polymers. Functioning solely by physical means it is effective in controlling most types of common flying & crawling insects such as bedbugs, ants, cockroaches, flies, fleas, and stored product insects.

Our new Freeze Spray neutralizes and instantly kills insects. Chemical-free, odourless and non-staining, this freeze spray is effective on flying and crawling insects; cockroaches, spiders, ants, fleas, bedbugs, silverfish and against wasp nests, flies, mosquitoes, wasps, hornets, etc.

When paired with our Desi-Dust Entrapment Powder living conditions are uninhabitable for insects!

Organ-X Pro 100% Natural Freeze Spray

Lightning elimination solution for crawling and flying insects! Neutralizes and instantly kills insects. Chemical-free, odourless and non-staining, this freeze spray is effective on cockroaches, spiders, ants, fleas, bedbugs, silverfish and against flies, mosquitoes, wasps, hornets, wasp nests etc. The pests are not poisoned, but simply frosted. Due to the sudden cold, the cells of insects, larvae or eggs burst and the pest dies immediately.

- ✔ Used by professional pest controllers

Coverage	3000m ³

STORM

NEW

Patio Force is a new range of patio cleaning products providing lasting and effective results, killing and controlling mould, algae and lichens.

Pressure-washing is messy and takes a surprising amount of time. It often roughens surfaces, thereby encouraging rapid re-growth of algae. Patio Force is a dynamic, algicidal detergent which works without the need for manual scrubbing or pressure-washing – and it takes just minutes to apply!

The full range is suitable for use on artificial grass, outdoor paved areas, patios, paths, driveways and walls, greenhouse or conservatory glass, perspex and garden furniture.

Storm Patio Force Concentrate

Storm Patio Force Concentrate is a high-performance and high-coverage product which dilutes to cover 220m² and provides up to 9 months protection.

- ✓ Cleans up to 220m²
- ✓ Up to 9 months protection
- ✓ No scrubbing required

Product Code STORMPFCONC5L
Size 5 litre
Outer 4 x 5 litre bottle
Use All year round

Storm Patio Force Ready-to-use

A ready-to-use patio cleaner to kill and control mould, algae and lichens on all outdoor hard surfaces. Supplied with high quality trigger spray.

- ✓ Double the strength of competitor products!
- ✓ 30% more coverage
- ✓ Trigger head included
- ✓ Up to 9 months protection
- ✓ No scrubbing required

Product Code STORMPFRTU5L
Size 5 litre
Outer 4 x 5 litre bottle
Use All year round

Plant Chemist

Plant Chemist Insect Control

Plant Chemist Insect Control is a pesticide free product for use on flowers, fruit, vegetables, herbs and ornamentals, both outside and undercover. Plant Chemist controls a wide range of insects including spider mite, thrips, aphids, mealybug, scale, psyllid and more. Its organic composition ensures healthy, green and clean plants, followed by optimized growth and bloom. Available in both concentrate and ready-to-use.

- ✓ Working by physical mode of action
- ✓ Contains a blend of surfactants which stop the pests from moving and being able to feed
- ✓ Helps to control, with regular use, powdery mildew, by physically washing the foliage to remove active mildew spores
- ✓ Promotes abundant fruit, vegetables and vibrant flowers
- ✓ No harvest interval is required, meaning the produce can be used within hours after application

ecofective® Slug Defence Barrier Granules

ecofective® Slug Defence stops slugs and snails in their tracks. Natural non-toxic granules provide a physical barrier around edible and non-edible plants which deter slugs and snails from reaching the protected plants throughout the growing season.

Child, pet and bee safe, this product is developed from naturally-derived ingredients which do not turn spongy once wet; instead they dry out quickly and remain just as effective, unlike clay repellents which degrade with rain and watering. **Slug barrier granules that provide a physical barrier around edible and non-edible plants.**

- ✓ Natural non-toxic granules for slug & snail control
- ✓ Provides an effective physical barrier to stop slugs & snails accessing potted and bedded plants
- ✓ Pesticide-free, for all garden types
- ✓ Long-lasting granules which dry quickly and remain effective after rain or watering
- ✓ Safe to use around children, pets, wildlife and bees

Product Code ECF0008
Size 2 litre
Outer 6 x 2 litre bottle
Use All year round

ecofective® Ferrimax® Slug Killer

Maximum protection against slugs all year round ecofective® Ferrimax Slug Killer helps gardeners protect flowers and vegetable plants from slugs and provides gardeners with an environmentally friendly replacement for metaldehyde that will protect precious plants from molluscs, while helping gardeners switch towards greener alternatives. Containing a natural active ingredient (ferric phosphate bait) it is approved for organic growing and should be applied thinly and evenly on the soil surface around and between plants. It can be applied on bare ground outdoors, in greenhouses and under permanent or temporary covers. Once slugs have consumed the bait, they stop feeding and move away from the area.

- ✓ Ideal for seedlings, plants, edibles, flowers and vegetables
- ✓ Suitable for use all year round
- ✓ Approved for organic growing
- ✓ Ferric phosphate formula – a natural active ingredient

Product Code ECF0050
Size 650g
Outer Case of 6
Use All year round

ecofective® Bug & Mildew Control

A pesticide free solution for use on flowers, fruit, vegetables, herbs and ornamentals, both outside and undercover. Controls a wide range of pest including whitefly, aphid, red spider mite, mealybug, scale and psyllid. Working by physical mode of action, this product contains a blend of surfactants which stop the pests from moving and being able to feed. This not only makes them safe to be used around children and pets, but also safe for bees and wildlife too. With regular use helps to control powdery mildew by physically washing the foliage to remove active mildew spores. The formula also provides foliar nourishment to encourage healthy growth of fruit, vegetables and vibrant flowers.

- ✓ Controls powdery mildew by washing away the spores
- ✓ For edibles and ornamentals – provides the plants with nutrients for healthy growth
- ✓ Pesticide-free, uses physical mode of action to stop pests
- ✓ Safe to use around children, pets and bees

Product Code ECF0024
Size 1 litre

Size 4 litre
Outer 6 x 4 litre bottle
Use All year round

ecofective® Cat & Dog Repellent

ecofective® ready-to-use Cat & Dog Repellent spray offers an effective treatment, to discourage cats and dogs from fouling or from using faeces and urine to mark their territory. The slow release, highly scented formula uses Methyl Nonyl Ketone which is proven to deter cats and dogs from treated areas. Derived from natural ingredients, its citric smell deters cats and dogs from fouling where they shouldn't and can be used in conjunction with toilet training, so they only go where they are supposed to.

- ✔ A harmless but effective deterrent scent to re-train pets
- ✔ For hard surfaces and garden areas
- ✔ Ready to use spray can be used indoors
- ✔ Ideal for use on driveways, paths, patios, flower beds, dustbins, fenceposts

Product Code ECF0018
Size 500ml
Outer 12 x 500ml bottle
