WHY TOWN & COUNTRY?

As market leaders with over 60 years of experience, Town & Country demonstrate an attention to detail that is matched by few others, if any, in the gardening industry. We are committed to driving growth through innovation, product quality and merchandising expertise.

PRODUCT QUALITY

We refuse to compromise on quality - our aim is never to compromise the consumer perception of value.

COMFORT AND FIT

Attention and detail is given to manufacturing processes and quality of materials, enabling us to surpass our customers expectations of comfort and fit.

GLOVE SIZE GUIDE

To find your glove size, measure the diameter of your hand in inches, below your 4 fingers, excluding the thumb. Find further details to measure your glove size on page 52.
