KidzPlay - one stop shop for Play

From retailing play activity boxes to running a full scale play centre at your garden centre we have a solution for you.

- **Retail Play Activity boxes**
- **Creative workshops with Activity Boxes**
- **Design and Build play villages / wooden play things**
- **Design and build complete indoor play centres with operational support**
- **Design, build and run the indoor play centre giving you significant incremental revenue and footfall particularly at slower times for Garden Centres**
