Based in Ulm/Germany, GARDENA is the preferred brand for millions of home and garden owners worldwide when it comes to garden care. That is because GARDENA offers a complete range of all that is required – no matter if watering systems, pumps, lawn care, robotics, smart system, tree and shrub care, garden tools, soil cultivation or city gardening. Today GARDENA is the leading brand for high-quality garden tools in Europe and represented in more than 80 countries all over the world. It takes an emotional approach to address those who regard their own garden as a “living space close to nature” and a place of well-being, recreation, and fun.

We are a leading supplier of garden products to the trade both in the UK and Europe, proudly celebrating our 20th year in 2023!

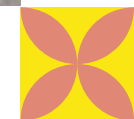

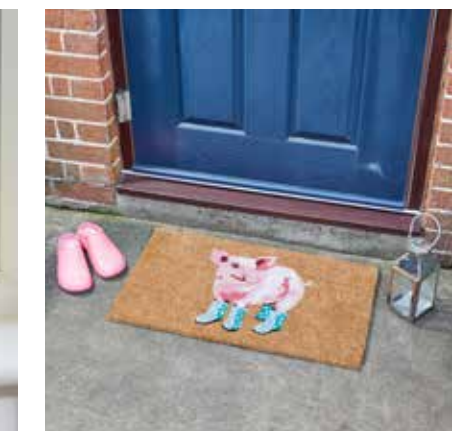

The company began with our flagship **Smart Solar** brand for lighting and water features and since then the solar range has expanded with **Super Bright**, **365 Solar** and a wealth of decorative solar lights.

We also offer a wide selection of other product groups which include **Smartscaping**, **GroZone**, **Hanging Gardening**, **Outside In** (our range of doormats, mirrors, clocks and lanterns), **Wild Bird Care**, **Garden Décor**, **Faux Décor** and **Three Kings**, our Christmas brand! We were delighted to acquire both **Briers** gloves and footwear and the **Briers Kids** range back in 2019, while we have launched 3 new brands in the last few years; **Zoon**, for pet products; **Useful**, for garden sundries; and **Havana** for outdoor heating – where the heat really is on!
