APAC

APAC are one of the leading importers and distributors of floristry, wedding, party and horticultural products in the UK. Operating from a 120,000sq ft distribution centre in Leicester, we supply supermarkets, large multiple retailers, growers, garden centres and wholesale trade. Our luxury showroom features a huge range of products with room sets and displays for inspiration. APAC's experienced buying team enable us to offer the very latest products following market trends, at competitive prices, and our dedicated sales team are available to offer knowledge and advice on the extensive product range spanning over 12,000 product lines, including exclusive ranges to the UK.

We look forward to meeting with you to discuss what we do, and seeing how we can help grow your product range for your business.

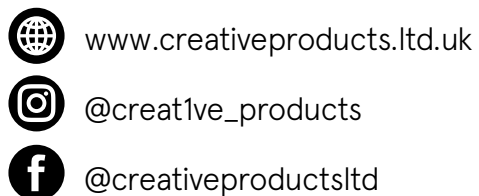

We bring products to life. Isn't it time you took a stand?

Our instore screens and display stands are an instant hit with customers, stopping them in their tracks as they browse and shop.

Our product range along with our punchy unique instore TV adverts are carefully crafted to quickly establish the products key selling points that bring the product to life for the consumer and most importantly that all important sale!

We offer a Creative Solution – We will work with you to tailor a promotional program in which we rotate the stock on our display stands from one great selling item to another, continually giving your customers new and exciting products. But we don't stop there, all promotional products are supplied on a sale or return basis, which means we take back any old promotional stock and credit you for it!

Time to get Creative! Come and have a chat on our stand today and see how Creative TV can work for you!

Tilnar Art are a small team of people who do their utmost to give you the best. Tilnar Art try hard to ensure that you receive a product that is hand made, unique and profoundly different to others in the market place.

When designing a product and eventually adding it to the collection we do our best to visualise it in the modern home. We never lose sight of the eventual consumer and the retailer. We travel thousands of miles every year to find you products that give you the edge and maintain our increasing number of artisans by providing them regular and sustainable trade.

All our products are hand-made and fairly traded, **MADE FROM RECYCLED MATERIALS AND RECYCLABLE. MANY ALSO HAVING THEIR OWN GIFT BOX.**
