PRO TIP

To get the best recommendations of people to connect and increase the chances of having mutual connections, one element is absolutely crucial: complete your profile and show interest!

Add a profile image, fill out your summary and select your preferences in the event-specific questions.

The screenshot shows the Glee Connect app interface. On the left is a navigation menu with options: Home, Recommended for You (highlighted), Interested in You, My Connections, My Interested List, and My Skip List. At the top is a search bar with the text "Search for people, products or other items". The main content area is titled "Recommended for You" and features a profile card for "Graham Snodden" (Visitor, Senior Acc. Manager - SRAM LLC) with a "Show Interest" button and a "Skip" button. To the right, a "Connections" panel shows "No connections yet" with a handshake icon and a message: "Show interest in others, schedule meetings or start a chat to connect to other people. We have selected some profiles you might be interested in".

Besides being able to show interest or skipping profiles. If someone is also interested in you, **show interest back** or **chat with them and grow your network!**
