

Cook  King
PASSION FOR COOKING

CATALOGUE 2022

INFORMATION

Cook King is one of the leading manufacturers of fire bowls, garden stoves and grills in Europe.

All Cook King products are hand-made only using materials from high quality European steelworks, holding certificates and approvals confirming their quality and origin.

Each Cook King product is designed from scratch and is made with a focus on style, quality, ease of use and safety.

With a fantastic range of products and accessories there is a Cook King product for everyone. The versatility of Cook King firebowls is superb allowing you to add accessories to turn your firebowl from a warming garden feature to the ideal cooking companion.
