

# APAC

AN INTRODUCTION

**This is an introduction to APAC and just a small sample of our huge range of products, please get in touch to see more of our products, to open an account and arrange a showroom visit.**

**Please Note:**

Whilst we do our best to provide accurate information regarding measurements and colour descriptions, there may be variation for some of these products due to the manufacturing processes involved. All pack sizes stated are correct at time of going to print although on occasions these may change during the year.

Please visit our website **[www.apac.co.uk](http://www.apac.co.uk)** for details of our Terms of Business.

## WHO ARE WE

**APAC Group Ltd are a family run business established for more than 50 years. In this time we have grown to be a leading import and distribution company for the horticultural sector.**

We have built up excellent relationships with our supply chain and together we can offer a wide range of products.

APAC Group Ltd have invested in various certifications to show our commitment to the environment and ethical work conditions.

We employ a full-time quality control team in China to constantly ensure production demands are met on schedule and our products are manufactured to the highest quality.

## WHAT WE DO

**Our buying team consists of 6 experienced buyers that travel the world to source the best products at the best prices.**

Our 120,000 sq ft main distribution centre in Leicester, UK carries more than 11,000 product lines in stock. Our product range covers many categories including floral packaging, zinc, ceramic, glass, cements, baskets, ribbons, décor, artificial flowers, balloons and seasonal items.

There are also two showrooms which customers can visit and view products before placing an order. The first displays a broad range of our stock lines, the other allows visitors to pick and create personalised items from concept products sourced by our buyers.

For personalised orders we also offer the use of our inhouse design service.

## WHO WE WORK FOR

**Within the horticultural sector we work with many different types of customers. We specialise in serving flower packers, supermarkets, wholesalers, growers, large retailers and garden centres.**

We hold both general stock lines, and specific bespoke lines that can be drop shipped when required.

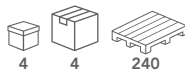

## APAC Group Ltd Certifications:

# WHY NOT COME AND VISIT?

Our innovative, luxury showroom spanning 30,000 square feet gives you the opportunity to come and explore our beautiful product ranges at close quarters in a relaxed environment. Your visit will allow you to get a feel for our company, get to know our sales team and allow us to talk through our market leading ranges and how they can work for your business. Following the latest industry trends we have ranges to meet your individual customer requirements, within your budgets and to fit your individual spaces. So whether it's Artificial Flower, Glassware, Ceramics, Christmas, Candles or Partyware you need - we can put together a package and quote to fit your needs. It's the perfect opportunity to have a hands on walk through of our products and decide what works for you.

Please contact your local Area Sales Manager or call Customer Services to arrange an appointment date.

We look forward to hearing from you and meeting you in the showroom really soon....!
